

ELEMENTARY LICENSURE

The requirements below are those approved by the Illinois State Board of Education December 2015.

Admission Requirements

To be eligible for the Elementary Education Licensure program, students must hold a bachelor's degree from an accredited college or university.

To apply, please submit the following materials to the Office of Graduate Admission:

- A completed College of Education graduate application
- Online application fee
- One official transcript from each college and/or university attended
- Two letters of recommendation from professors or employer
- Resume
- A brief statement which explains your reasons for wanting to enter the Elementary or Middle School program at DePaul and discusses your potential for becoming a teacher.

Content Area Prerequisites

Elementary Education teachers need to have an understanding of the subjects taught in classrooms at the Elementary level. DePaul's program requires that students in the Elementary program have a minimum of one college-level course in each of the following areas:

- mathematics¹
- physical science
- life science
- earth and space science
- history
- geography
- political science/civics
- economics

These courses may be taken at the undergraduate level and may have been included in the student's bachelor's degree program. Elementary Education students will be evaluated by an academic advisor after admission to determine if additional coursework is needed. Completion of content area requirements are not prerequisites for admission, however coursework must be completed before student teaching. It is strongly encouraged that applicants meet with an advisor after admission and prior to taking content courses.

¹ DePaul alumni that have taken MAT 120 or ISP 120 can receive credit towards the math requirement.

Course Requirements

Introductory Courses: 17 Quarter Hours Required

Course	Title	Quarter Hours
T&L 404	INTRODUCTION TO ELEMENTARY EDUCATION	4
SCG 403	HUMAN DEVELOPMENT AND LEARNING: ELEMENTARY	4
T&L 583	FIELD EXPERIENCE LAB	1

T&L 418	LEARNING THROUGH THE ARTS	4
Select one of the following:		4
SCG 408	EDUCATION AND SOCIETY	
SCG 409	SOCIOLOGY OF EDUCATION	
SCG 411	PHILOSOPHY OF EDUCATION	

Advanced Courses: 35 Quarter Hours Required

Course	Title	Quarter Hours
T&L 412	EMERGING READING AND LANGUAGE ARTS	4
T&L 416	TEACHING AND LEARNING ELEMENTARY SCHOOL MATHEMATICS	4
T&L 583	FIELD EXPERIENCE LAB	1
SER 446	PSYCHOLOGY AND EDUCATION OF THE EXCEPTIONAL CHILD	4
T&L 413	READING/LANGUAGE ARTS IN THE INTERMEDIATE GRADES	4
T&L 583	FIELD EXPERIENCE LAB (public school setting required)	1
T&L 415	TEACHING AND LEARNING ELEMENTARY SCHOOL SCIENCE	4
T&L 419	CURRICULUM AND STRATEGIES: SOCIAL STUDIES	4
T&L 584	PRE-STUDENT TEACHING FIELD EXPERIENCE	1

T&L 585	ELEMENTARY STUDENT TEACHING (grade of B- or better required)	6
T&L 586	ELEMENTARY STUDENT TEACHING SEMINAR (grade of C or better required)	2
EDU 95	CLINICAL EXPERIENCE WITH CHILDREN AND YOUTH (non-credit, non-tuition, PA grade required)	0

Licensure Tests

All individuals licensed by the Illinois State Board of Education (ISBE) are required to complete licensure tests specific to their teaching license. Elementary majors must complete the following tests:

- Elementary/Middle Grades Content Area Test (test #305) – assesses knowledge of language arts and literacy, mathematics, science, social sciences, the arts, health, and physical education. Test is required before Student Teaching (deadlines apply).
- EdTPA - assessment conducted during the student teaching experience including video clips of instruction, lesson plans,

student work samples, analysis of student learning and reflective commentaries. Students will submit an electronic portfolio to an outside agency for independent evaluation and a fee will be imposed by that agency as part of the assessment.

Field Experiences

Each student seeking licensure from the College of Education/ Professional Education Unit must complete supervised field experiences in appropriate lab settings in conjunction with education courses. Students are required to register for one lab for designated paired course. For example, during the first quarter of the program students must register for T&L 404 and SCG 403 plus one field experience lab. During the quarter when students take T&L 413 and SER 446, a public school that services students with special needs is required. The field experiences must include a variety of grade levels, multicultural experiences, and a minimum of 15 hours in special education settings. All field experiences must be completed prior to final approval for student teaching. Field experience hours should be entered by the student into the FEDS system when completing courses with field experience requirements. For details on requirements, expectations, documentation, & courses in your program that require hours, visit the College of Education website.

Additional Requirements

Please also view the college core requirements under the MA or MED for Elementary Education for additional requirements. Note that the Elementary Education Licensure program listed above does not lead to a degree.
