¹ The Department of Chemistry and Biochemistry offers General Chemistry each summer. In this case, the combination of CHE 136 / CHE 137 and CHE 138 / CHE 139 may substitute for the three-quarter sequences above.

² The Department of Physics offers General Physics each summer. In this case, the combination of PHY 155 and PHY 156 may substitute for the three-quarter sequence above.

The Pre-Physical Therapy Preparation course listing constitutes a recommended plan. It is only presented as a recommendation, because some professional schools' particular program prerequisites vary, sometimes significantly from one to another, depending upon the program and school of pursuit. Ultimately, students will be advised to follow the specific prerequisites for the particular schools' programs to which they plan to apply.
