ACCOUNTANCY (MSACC) ONLINE, COMBINED BACHELOR'S + MASTER'S DEGREE

The combined Bachelor's + Master's degree programs allow students to complete 12 graduate credit hours while still an undergraduate student. These 12 graduate credit hours may count toward both the undergraduate and graduate degree programs.

The Combined Bachelor's + MSACC Program allows non-accountancy majors to complete a bachelor's degree and a Master of Science in Accountancy (MSACC) degree in as few as five years.

The nationally ranked Master of Science (MS) in Accountancy is intended for students who do not have an undergraduate accounting degree and wish to pursue a career in accountancy. Through the program's challenging and integrated sequence of courses, students become proficient in topics that are relevant to the work of a professional accountant. Students also gain a solid understanding of other business disciplines and their relationship to accounting issues.
