

BILINGUAL ENGLISH- SPANISH SPECIALIZATION IN SPEECH LANGUAGE PATHOLOGY GRADUATE CERTIFICATE

The Bilingual English-Spanish Specialization Certificate (BESSC) allows students pursuing a Master of Science degree in Speech Language Pathology (SLP) at DePaul to complete specialized coursework and clinical practica underscoring a thorough level of competence across scientific, theoretical, and clinical knowledge and skills in order to equitably serve the needs of primarily Spanish speaking individuals with communicative disabilities. In accordance with an additive cultural and linguistic competence curriculum, students are required to demonstrate good-to-excellent oral language proficiency skills in Spanish, per the BESSC SLP Spanish interview at the time of matriculation.
