

BUSINESS ADMINISTRATION (BAPS) ONLINE

The Bachelor of Arts in Professional Studies with a major in Business Administration from the School of Continuing and Professional Studies (SCPS) builds knowledge and skills for application in corporate and nonprofit settings, especially within administrative, managerial and supervisory positions. In this program, students examine their prior and current work experience in light of theory and principles. This program intentionally helps students to integrate liberal arts learning, with an emphasis on agile and critical thinking, with a professional specialization.

This major advances students' foundational business knowledge in a range of areas critical to business administration, especially project management, human resources, risk management, leadership, workplace law, globalization, ethical conduct, data analytics, and professional communications. With a range of courses in the major offered as electives, students may choose courses and specialize in areas of particular interest to them.

Graduates of this program will be particularly well positioned to make optimal decisions in the workplace and become promotable leaders. This major is designed for working adult students and provides:

- Flexible scheduling including online options available
- Financial Aid, flexible payment options, and **special adult student tuition pricing**
- Acceleration and affordability through transfer credit and prior learning assessment (PLA) credit
- Opportunities to combine bachelor's and master's programs and apply graduate courses to both programs
- Individualized program planning, course selection and advising assistance provided
- Enhanced career opportunities through professional portfolio development, and career placement services instruction from industry practitioners, and wide-ranging Career Services support
- Degree granted by DePaul University, with its excellent academic reputation and the opportunity to join its prestigious and extensive alumni network
