

CHINESE LANGUAGE (MINOR)

DePaul's Chinese Language minor focuses on developing an intermediate proficiency in spoken and written Chinese, one of the world's major languages that is growing in importance in our global society.

The minor consists of a total of 5 courses in Chinese language at the 200/300-level. Courses taught in English (CHN 208E, CHN 248E, CHN 250E) will not be counted toward this minor unless Program Director permission is secured.

Students majoring in Chinese Studies (BA) or minoring in Chinese Studies are restricted from earning this minor.
