# **ELEMENTARY EDUCATION** (BS)

The Bachelor of Science program in Elementary Education prepares students to teach 1st through 6th grade in a variety of urban and suburban education settings, including public and private elementary schools.

Students learn educational theories and effective teaching practices, participate in field experiences, which require observation and participation in teaching activities at multiple schools, and student teaching. Students should meet early and regularly with their advisor to design and monitor their program of study.

The program combines theoretical principles of education and field work with the student's choice of major. Students follow a general pattern of study for middle school and high school levels. In all cases, appropriate field experience plays an integral role.

Students entering the program must be able and willing to devote themselves to a program requiring a minimum of 155-170 hours of daytime field experiences in schools. These school-based clinical hours are completed in conjunction with methodology courses that require students to spend a half-day each week in a school. In addition, the student must spend a minimum of 11 weeks in full-time student teaching.

Along with general elementary education courses, EE majors are required to complete a minor at the university.

Please make sure you consult the Liberal Studies Requirements, Major Requirements, and College Core Requirements for full degree requirements.

#### Licensure

Program Requirements	Quarter Hours
Liberal Studies Requirements	62
Major Requirements	126
Open Electives	4
Total hours required	192

## **Learning Outcomes**

Students will be able to:

- Plan instruction that supports students in meeting rigorous learning goals, drawing upon knowledge of content areas, curriculum, and pedagogy.
- Demonstrate a variety of instructional strategies as they support learners in developing a deep understanding of content areas and their connections, as well as building skills needed to apply knowledge in meaningful ways.
- Apply their understanding of multiple purposes for and methods of assessment in order to monitor and evaluate student progress, make decisions regarding instructional practices, and guide students in reflecting upon their progress toward learning targets.
- Use the central concepts, standards, tools of inquiry, and structures
  of the discipline(s) they teach to create meaningful learning
  experiences based upon evidence-based practices that ensure
  mastery of content.

 Demonstrate an interest in ongoing professional learning, use evidence to evaluate practice, advocate for students, and exhibit professionalism and ethical behavior in all interactions.

## **College Core Requirements Dispositions**

The academic programs within the College of Education have set forth these dispositions as educational and professional expectations for all students. Students should be aware that failing to abide by DePaul University or College of Education policies including, under certain circumstances, these dispositions, could result in adverse consequences for the student, including removal from his or her program, the College of Education, or the University.

The following dispositions apply to Early Childhood Education, Elementary Education, Exercise Science, Middle Grades, Physical Education, Secondary Education, and World Language Education majors only:

- Reflects on progress and identifies strengths and weaknesses, including evaluating strategies for success, finding alternatives for inappropriate strategies, and modifying future practices
- Is receptive to faculty feedback and acts meaningfully and professionally upon suggestions
- Values critical thinking, including engaging theoretical and philosophical frameworks and shows evidence of critical thinking through discussion and writing (e.g., journals, response to prompts)
- Understands the importance of and is committed to communicating clearly orally and in writing both in traditional and in new and emerging digital formats
- Values and is committed to continually developing strong content area knowledge and/or knowledge of the professional field, including pedagogical content knowledge
- Takes initiative, uses imagination and creativity, and seeks out information using a variety of human and material resources and technology to inform his or her teaching
- Is aware of the role of classroom environment and uses management procedures that reflect respect and care for learners and concern for their emotional and physical well being
- Takes the time and effort needed to understand how students learn, including discovering their interests and experiences and determining how to shape teaching acts (using technology as appropriate) that engage learners meaningfully and actively
- Values and is committed to using assessment to evaluate and ensure the continuous intellectual, social, emotional, and physical development of the learner
- Respects and considers cultural contexts in order to determine how to be responsive to learners and to proactively promote all students' learning
- Values and is responsive to diverse learners' academic, emotional, and social needs through teaching acts (including careful instructional planning, implementation, and differentiation) and through everyday interactions with students
- Is committed to collaboration with colleagues, families, and communities in order to promote all students' learning and development
- Recognizes and fulfills professional responsibilities and habits of conduct (e.g., dress, language, preparedness, attendance, punctuality, etc.)

- Demonstrates collegiality, honesty, good judgment, courtesy, respect, and diplomacy
- Balances self-confidence and assertiveness with respect for others' perspectives
- Respects the requirements, expectations, and procedures of both the College of Education and of our field partners and appreciates the issues of trust, fairness, and professionalism involved

The following dispositions apply to Special Education majors only:

- Is receptive to faculty feedback and acts meaningfully and professionally upon suggestions
- Reflects on his or her own progress, identifies strengths and weaknesses, and evaluates strategies for success and professional growth
- · Takes initiative
- · Is open to new ideas and engagement in learning
- Respects diversity and cultural contexts to determine how to be responsive to learners and to proactively promote all students' learning
- Expresses positive attitudes toward individuals with disabilities and a willingness to advocate on their behalf
- Is committed to collaboration with colleagues, families, and communities in order to promote all students' learning and development
- Demonstrates professional ethical and legal behavior as defined by the respective codes of ethics and laws
- Demonstrates consistent professional behavior across all academic settings
- · Maintains appropriate interpersonal and professional boundaries
- · Accepts personal responsibility for one's behavior
- · Expresses feelings and opinions effectively and appropriately
- · Upholds confidentiality

#### **Skill Building Courses**

Before taking any math or English courses, students must take the DePaul placement tests to determine if skill level is at the college level. If placement indicates skill level in these courses, the courses become part of degree requirements. Consult with your advisor regarding placement test results and any required classes.

#### **Modern Language Competence Requirement**

Students pursuing a Bachelor of Arts degree in the College of Education will be required to demonstrate a measure of competence in a modern language, as defined by the college. Such competence may be demonstrated in one of several ways:

- · completing two years of a language sequence in high school
- completing the last course in the first-year college sequence of any language
- completing a college course beyond the first-year level in any language
- achieving a satisfactory score on any of the Modern Language placement examinations administered at DePaul
- achieving a satisfactory rating in a proficiency examination accepted by DePaul
- achieving a score of 3 or higher on the Advance Placement (AP) test for any language

- achieving a score of 5 or higher in the Language B assessment from a Standard or Higher Level International Baccalaureate (IB) program
- · achieving a satisfactory score on the CLEP examination

Please note: The Modern Language Competence Requirement is not required for students in the Early Childhood Education: SCPS Joint Program (BAECE) program. Modern Languages courses with an Edesignation are taught in English and may not be applied to the Modern Language Requirement.

For further information regarding satisfactory scores and possible credit from the DePaul placement, AP, CLEP, or IB examinations, please contact the Office of the University Registrar.

Students who complete an Inter-College Transfer (ICT) to the College of Education will abide by the COE Modern Language Requirement in place on the effective date of the ICT.

B.A. students who meet College requirements and wish to pursue further work in the language may elect the Language for Liberal Studies Option (https://catalog.depaul.edu/undergraduate-core/liberal-studies-program/liberal-studies-program-guidelines/language-for-liberal-studies-option/) of the Liberal Studies Program. While B.S. students are not required to demonstrate competency in a modern language, the Language for Liberal Studies Option is available to them for language study at any level. Modern Languages courses with an E-designation are taught in English and may not be applied to the Modern Language Requirement.

#### **Licensure Tests**

All individuals licensed by the Illinois State Board of Education (ISBE) are required to complete licensure tests specific to their teaching license. The Academic Success Center can provide help through tutoring, workshops, and online resources to help each student succeed.

#### **Field Experiences**

Each student seeking licensure from the College of Education/
Professional Education Unit must complete supervised field experiences
in appropriate settings in conjunction with education courses. The
field experiences must include a variety of grade levels, multicultural
experiences, and a minimum of 10 hours in special education settings.
All field experiences must be completed prior to final approval for student
teaching. Field experience hours should be entered by the student
into the FEDS system when completing courses with field experience
requirements.

#### **Endorsements**

An endorsement is a statement appearing on a license that identifies the specific subjects or grade level that the license holder is authorized to teach.

The Illinois State Board of Education (ISBE) issues endorsements in various subject areas. To view the full list and requirements, visit the ISBE website.

Please note that the Illinois State Board of Education (ISBE) may change the state licensure and endorsement requirements at any time and without prior notice. Individuals are bound by the requirements in place when applying for the license or endorsement, not the requirements in place when beginning the program.

#### **Student Teaching Requirements**

Student Teaching is the culminating clinical experience in the student's program. All students in teacher preparation programs must meet the following requirements before applying for student teaching:

#### **Academic Requirements**

- Completion of all Liberal Studies, Introductory, Advanced and concentration/content area courses
- · Overall cumulative GPA of 2.50 or better
- · Cumulative GPA of 2.75 or better in all education courses
- Meet all other program requirements (e.g., modern language and residency requirements)
- · Meet designated program standards
- · Pass the required Illinois licensure content area test(s)

#### **Clinical Requirements**

- · Completion of all required field experiences
- Three satisfactory evaluations in field experiences
- · Three satisfactory faculty recommendations
- · Attendance at mandatory meeting for student teaching
- Application for student teaching, resume, transcripts, and writing sample (check deadlines)
- Review and approval by Student Teaching Committee of the College of Education

#### **Student Teaching Timeline and Deadlines**

- Attend a Mandatory Meeting approximately 1 year prior to expected quarter of student teaching.
- Submit application for student teaching after attending Mandatory Meeting, approximately 1 year prior to student teaching.
- Academic requirements are due one quarter before expected quarter of student teaching.
- Content ares tests must be passed prior to Student Teaching (deadlines apply).
- Clinical requirements are completed as course requirements. Field experience hours are entered by the student as coursework is completed.

Online Faculty Evaluations are entered by the instructor of relevant courses. All data must be entered in the Field Experience Documentation System (FEDS) due one month prior to student teaching.

Individual childcare agencies and public and private school districts may have additional requirements (application, training, background check, etc.).

#### **Degree Conferral and Graduation**

The awarding of a degree is not automatic. You must submit an application to be considered for the degree. DePaul awards and posts degrees at the end of each regular academic term (autumn, winter, spring, summer).

It is your responsibility to initiate the degree conferral application process by submitting an online application. Submitting an application means you intend to finish your degree requirements by the end of the term for which you have applied.

Undergraduate students must be approved for student teaching and complete student teaching and capstone to be cleared for the degree.

Student must submit graduation application for the quarter that matches the quarter you are student teaching.

After you submit the application, you cannot register for any term after the one selected in the application.

To apply for degree conferral, log on to Campus Connection. Select STUDENT CENTER, then MY ACADEMICS. On screen instructions will take you through the application process.

Provided that all requirements and financial obligations are met, degrees are posted 30 days after the official end of the term. Official dates are listed on the Academic Calendar.

DePaul holds one commencement ceremony each year in June. If you intend to participate, you must first apply for degree conferral for the current academic year and then submit a cap and gown order. Honors announced at the ceremony for undergraduates are based on winter quarter GPAs because a final GPA is not available at the time of the ceremony. Eligibility for the June Commencement ceremony is limited to individuals that complete the entirety of their program (including student teaching) within the same academic year (prior to the ceremony).

Additional information about degree conferral and graduation can be found on the College of Education website at: http://education.depaul.edu/.

#### Licensure

Requirements for licensure include completion of full bachelor's degree program, all licensure tests (including OPI for world language majors), and awarding of bachelor's degree. A bachelor's degree is required to qualify for licensure and must be awarded before applying for the license.

Individuals must submit an application directly to the Illinois State Board of Education after completion of requirements and after DePaul has submitted notification to ISBE. Application requirements include application form, application fee, official transcripts, and registration fee.

All individuals must meet ISBE requirements in place at the time of application for the license. Requirements are subject to change per the discretion of ISBE. All coursework and requirements pertaining to licensure requirements must be completed before DePaul University can recommend an individual for the license.

Individuals seeking additional endorsements after applying for the licensure must contact ISBE directly for an evaluation request.

All coursework and requirements must be completed before DePaul University can recommend an individual for the license.

#### **Teacher Licensure**

Sept 1, 2015 begins the implementation of a new requirement for any individual seeking teaching licensure in the State of Illinois. The new requirement is the Teacher Performance Assessment ("edTPA"), which is mandated by the Illinois State Board of Education (ISBE) for anyone that completes student teaching in Fall 2015 and beyond. EdTPA is an assessment conducted during the student teaching experience. For this assessment, teacher candidates are required to create video clips of instruction, lesson plans, student work samples, analyses of student learning, and teacher candidate reflective commentaries for a learning segment and submit these components using an electronic portfolio to Evaluation Systems an outside agency that is a group of Pearson Publishing. The portfolio will be independently evaluated by a panel of trained reviewers hired by Pearson. For this service a fee is charged.

The panel of scorers of edTPA are selected and trained by Evaluation Systems. DePaul University is neither affiliated with Evaluation Systems nor Pearson Publishing and by ISBE regulation cannot be involved in edTPA registration, submission of portfolios, or scoring of individual teacher candidate portfolios. Institutions of higher education are required by the Illinois State Board of Education to provide teacher candidates with information to prepare for edTPA; however, the process of edTPA is external to DePaul University and is not monitored by DePaul University's College of Education.

#### **Liberal Studies Requirements**

First Year Program

Honors program requirements can be found in the individual Colleges & Schools section of the University Catalog. Select the appropriate college or school, followed by Undergraduate Academics and scroll down.

#### **Learning Domains**

Arts and Literature (AL) (https://catalog.depaul.edu/undergraduate-core/liberal-studies-program/liberal-studies-learning-domains/arts-and-literature/)

· 2 Courses Required

Historical Inquiry (HI) (https://catalog.depaul.edu/undergraduate-core/liberal-studies-program/liberal-studies-learning-domains/historical-inquiry/)

 2 Courses Required (Note: One must be a United States history course offered by the history department)

Math and Computing (MC) (https://catalog.depaul.edu/ undergraduate-core/liberal-studies-program/liberal-studieslearning-domains/math-and-computing/)

1 Course Required
 [1 CR Course or 1 SR Course]

Philosophical Inquiry (PI) (https://catalog.depaul.edu/ undergraduate-core/liberal-studies-program/liberal-studieslearning-domains/philosophical-inquiry/)

- · 2 Courses Required
  - · LSE 380

Hours

 1 Additional Course (Note: PHL 100 recommended)

Religious Dimensions (RD) (https://catalog.depaul.edu/ undergraduate-core/liberal-studies-program/liberal-studieslearning-domains/religious-dimensions/)

1 Course Required

Scientific Inquiry (SI) (https://catalog.depaul.edu/undergraduate-core/liberal-studies-program/liberal-studies-learning-domains/scientific-inquiry/)

Not Required

Social, Cultural, and Behavioral Inquiry (SCBI) (https://catalog.depaul.edu/undergraduate-core/liberal-studies-program/liberal-studies-learning-domains/social-cultural-and-behavioral-inquiry/)

- · 3 Courses Required
  - PSC 120
  - 2 additional courses selected from the following: ANT, ECO, GEO, PSY, or SOC (each of these two must be from different subjects)

#### **Notes**

Specified required courses within Liberal Studies may have grade minimums (e.g. C- or better). Please consult your advisor or your college and major requirements.

Courses offered in the student's primary major cannot be taken to fulfill Д‡ЯВЉуман теумустемен students double major, LSP Domain courses may double count for both LSP credit and the second major.

In meeting learning domain requirements, no more than one course that is outside the student's major and is cross-listed with a course within the student's major, can be applied to count for LSP domain credit.

Readiness for MAT 120 is determined by the math placement test taken online after admission. Students may need to take developmental coursework prior to MAT 120. Students who complete MAT 120 and both a Computational Reasoning course and a Statistical Reasoning course in the Math and Computing Learning Domain take one less Learning Domain course. Students may not apply the course reduction to any Domain where only one course is required, and cannot be applied to the Scientific Inquiry Learning Domain. The MAT 120 requirement may be waived by passing a dedicated proficiency exam or it may be fulfilled by credit for advanced math coursework earned in-residence at DePaul (MAT 135, MAT 136, MAT 147, MAT 148, MAT 149, MAT 150, MAT 151, M equivalent) or earned externally either as transfer credit from another college/university or as test credit through AP, CLEP, IB, or International A and A/S Level exams. Calculus course(s) may be used to fulfill any of the three QR/MCD requirements.

This policy does not apply to those who are pursuing a double major or earning BFA or BM degrees.

### **Major Requirements**

The requirements below are those approved by the Illinois State Board of Education December 2015.

#### **Course Requirements**

## Introductory Courses: 16 quarter hours required, grade of C or better required

Course	Title	Quarter Hours
SCU 207	SOCIAL AND HISTORICAL ISSUES IN EDUCATION	4
EE 281	INTRODUCTION TO EDUCATIONAL PRACTICE	4
EE 347	CHILDREN'S LITERATURE	4
KNES 206	PERSONAL AND COMMUNITY HEALTH	4
or KNES 273	HEALTH AND NUTRITION	

## Mathematics for Elementary Teachers: 8 quarter hours required, grade of C or better required

Course	Title	Quarter Hours
MAT 110	FOUNDATIONS OF MATHEMATICS FOR ELEMENTARY SCHOOL TEACHERS I	4
MAT 111	FOUNDATIONS OF MATHEMATICS FOR ELEMENTARY SCHOOL TEACHERS II	4

## ISBE Science Requirement: 12 quarter hours required, grade of C or better required

Course	Title	Quarter Hours
Biological Science Biology	e: Choose a Scientific Inquiry course in	4
Physical Science Chemistry or Phy	: Choose a Scientific Inquiry course in sics	4
•	ence: Choose a Scientific Inquiry course in cience or Geography	4

Science requirement fulfills the mandate by the Illinois State Board of Education that all individuals pursuing a license in Early Childhood Education have coursework in 3 science areas that cover biological science, physical science, and earth/space science. These courses simultaneously meet DePaul requirements for Liberal Studies.

## DePaul Minor: 5-8 courses (20-32 credit hours), grade of C or better required

Along with elementary education courses, students in the elementary education major are required to complete a DePaul minor. This may be a minor leading to an additional endorsement on the Professional Educator License (e.g., special education, English as a Second Language, bilingual education) or an additional area to explore or focus your studies. However, all DePaul minors will meet this requirement.

A minor of seven courses (28 credit hours) will lead to the required 192 credit hours. If a student chooses a minor with fewer than 28 credit hours, the additional credit hours will be replaced by electives. If students

choose a minor with more than 28 credit hours, they will graduate with more than 192 credit hours.

Students are encouraged to discuss their choice of a minor with their academic advisor in order to determine the impact their choice will have on their overall program plan, graduation date, and tuition.

## Advanced Courses: 48 quarter hours required, grade of C or better required

Course	Title	Quarter Hours
SCU 337	HUMAN GROWTH AND DEVELOPMENT	4
EE 317	PHYSICAL EDUCATION AND CLASSROOM MANAGEMENT IN THE ELEMENTARY SCHOOL	4
EE 324	READING/LANGUAGE ARTS IN THE EARLY YEARS	4
EE 326	READING/LANGUAGE ARTS IN THE INTERMEDIATE GRADES	4
EE 330	URBAN EDUCATION RESIDENCY	4
EE 333	TEACHING AND LEARNING ELEMENTARY SCHOOL MATHEMATICS	4
EE 334	ELEMENTARY SCIENCE INQUIRY TEACHING STRATEGIES	4
EE 344	ART AND MUSIC IN THE ELEMENTARY SCHOOL	4
EE 355	METHODS: CONTEMPORARY TEACHING OF SOCIAL STUDIES	4
EE 356	ASSESSMENT IN THE ELEMENTARY CLASSROOMS	4
BBE 300	TEACHING ELEMENTARY ENGLISH LANGUAGE LEARNERS: THEORY, POLICY AND PRACTICE	4
SER 346	STRATEGIES FOR MAINSTREAMING AND INCLUSION	4

#### Open Electives: 4 quarter hours required

Open elective credit also is required to meet the minimum graduation requirement of 192 hours. The following cannot be used to fulfill an open elective: WRD 98, MAT 94, and MAT 95.

#### Student Teaching: 10 quarter hours required, grade of Bor better required

Registration in student teaching requires completion of all requirements and procedures indicated in the college core section. EDU 95 indicates to the Illinois State Board of Education that all field experience hours are complete. All students also take EE 387 with student teaching (listed in the Liberal Studies section).

Course	Title	Quarter Hours
EE 385	ELEMENTARY STUDENT TEACHING	10
EDU 95	CLINICAL EXPERIENCE WITH CHILDREN AND YOUTH (non-tuition, PA grade required)	0

#### **Licensure Tests**

All individuals licensed by the Illinois State Board of Education (ISBE) are required to complete licensure tests specific to their teaching license. Elementary majors must complete the following tests:

- Elementary Content Area Test (test #305) assesses knowledge
  of the content of what is taught at the elementary level including
  language arts and literacy, mathematics, science, social science, the
  arts, health, and physical education. Test is required before Student
  Teaching (deadlines apply).
- EdTPA assessment conducted during the student teaching experience including video clips of instruction, lesson plans, student work samples, analysis of student learning and reflective commentaries. Students will submit an electronic portfolio to an outside agency for independent evaluation and a fee will be imposed by that agency as part of the assessment.
