

THE WILLIAM E. HAY LEADERSHIP ACCELERATOR

The William E. Hay Leadership Accelerator

The William E. Hay Leadership Accelerator is a comprehensive, co-curricular leadership development experience open to DePaul juniors and seniors of all majors. The program is designed to develop personal effectiveness, essential leadership skills, and overall career readiness. Individual development is delivered through an engaging blend of in-person workshops, guided self-reflections, and experiential exercises and applications. The program is cohort-based and unfolds over the course of an academic year, allowing for long-lasting friendships and professional networking. Hay Leadership Scholars gain valuable workplace competencies, enhance their workplace professionalism, and learn and practice effective and ethical leadership. Students will be awarded this certificate upon three successful completions of EXCED 301, each with a grade of PA/Pass.
