

HISTORY OF LAW (MINOR)

The History of Law minor provides an opportunity for non-history majors to gain a solid introduction to historical study related to law and legal history. This minor will give non-history majors training in basic historical skills and specific knowledge about histories related to criminal justice and law. A History of Law minor provides students with valuable skills that are developed in History courses in addition to the specific content focus on the history and evolution of the law and legal history.

Required: Five History Courses
