

MASTER OF BUSINESS ADMINISTRATION (MBA)

DePaul Master of Business Administration

The DePaul MBA program provides you with a transformational learning experience that develops the leadership skills you need to face the business challenges of tomorrow. Through hands-on learning, we'll challenge your business perspectives. You'll see that we don't just talk about networking—we help build your network. And we don't just expose you to the theories of business thought leaders, we connect you with them. Here, it's our business to build your future.

Program Requirements	Quarter Hours
MBA Core Requirements (9 -11 courses)	32 - 40
Concentration and Elective Course Requirements (5 courses)	20
Total hours required	52-60

Learning Outcomes

Students will be able to:

- Use analytical and problem-solving skills in decision-making.
- Apply knowledge about the differences among global economies, institutions, and cultures to understand the implications these have on global management.
- Recognize and analyze ethical and legal problems within applied business situations, choose a resolution, and justify that ethical choice.
- Effectively contribute to the performance of a group as the group addresses practical business situations, and assume a leadership role as appropriate.
- Produce a coherent written statement and oral presentation of the analysis of a complex business issue.
- Acquire broad-based knowledge and skills necessary to fulfill their professional goals

Course Requirements for the MBA Program

The MBA program requires completion of sixteen courses (60 quarter hours)¹. In addition to the eleven core course (40 quarter hours) requirements below, students must select five courses/electives (20 quarter hours) to specialize in a business area of their choice.
