

# REAL ESTATE FINANCE AND INVESTMENT, MASTER OF BUSINESS ADMINISTRATION (MBA)

---

DePaul's MBA concentration in Real Estate Finance and Investment is a multidisciplinary program that will prepare you for leadership roles in the rapidly changing world of global real estate finance and investment. Through a combination of management, marketing, finance and investment courses, you will acquire the skills necessary to navigate this diverse industry. You will gain proficiency in a wide range of commercial real estate transactions, urban planning, financing and operations.

## Highlights

In this concentration, you can choose from a diverse set of competencies and skills, which encompass how to:

- Manage complex real estate transactions by learning all aspects of these transactions, including finance and real estate investing, taxation, development, investment sales and capital market analysis.
- Manage urban planning initiatives and public sector enterprises.
- Facilitate financial and investment transactions.

In addition to the core curriculum, this concentration provides an exclusive opportunity to be paired with a senior real estate executive to learn first-hand the skills necessary to succeed in this industry.

## Concentration Requirements
