

NONPROFIT ORGANIZATIONS (MINOR)

The minor in Nonprofit Organizations requires 20 quarter credit hours (5 courses) and is available to degree seeking undergraduates. The minor is offered within the School of Public Service (%20pubserv@depaul.edu) and is designed for students interested in learning the structure, operations, and fundraising activities necessary for a successful nonprofit organization. Students may also complete an internship with a nonprofit organization as part of the minor's requirements. The minor in Nonprofit Organizations pairs well with many undergraduate majors and is structured in a manner that enables students to complete the minor as part of a combined Bachelors/Masters degree (<https://www.depaul.edu/academics/undergraduate/Pages/combined-degrees.aspx>) in conjunction with the School of Public Service (<https://las.depaul.edu/academics/school-of-public-service/Pages/default.aspx>).
