

# RECREATION AND SPORT MANAGEMENT (BA)

The BA in Recreation and Sport Management (RSM) emphasizes a multidisciplinary understanding of leisure service management and leadership in preparation for careers and further education in managing recreation and sport organizations. The degree prepares students to work in the leisure service industry and addresses sport management and sport psychology, recreation administration and event planning, leadership and talent development, fitness, community health, nutrition and motor development. The degree is equally appropriate for adults already working in the field looking to advance their skills and knowledge base as well as those new to the field.

This major is designed for working adult students and provides:

- Flexible scheduling including online options available
- Financial Aid, flexible payment options, and **special adult student tuition pricing**
- Acceleration and affordability through transfer credit and prior learning assessment (PLA) credit
- Opportunities to combine bachelor's and master's programs and apply graduate courses to both programs
- Individualized program planning, course selection and advising assistance provided
- Enhanced career opportunities through professional portfolio development, and career placement services instruction from industry practitioners, and wide-ranging Career Services support
- Degree granted by DePaul University, with its excellent academic reputation and the opportunity to join its prestigious and extensive alumni network
