Please note that the Illinois State Board of Education (ISBE) may change the State licensure and endorsement requirements at any time and without prior notice.

Licensure Tests

All individuals licensed by the Illinois State Board of Education (ISBE) are required to complete licensure tests specific to their teaching license. Requirements are subject to change per the discretion of ISBE.

Special Education students must complete the following tests:

- Learning Behavior Specialist I (test #290) – assesses knowledge of the following areas: understanding students with disabilities, assessing students and developing individualized programs, supporting development and learning, working in a collaborative learning community, and foundations and professional practice.

2 Pre-Service Special Education Concentration, Special Education (MEd)

- EdTPA - assessment conducted during the student teaching experience including video clips of instruction, lesson plans, student work samples, analysis of student learning and reflective commentaries. Students will submit an electronic portfolio to an outside agency for independent evaluation and a fee will be imposed by that agency as part of the assessment.
