

OTHER POLICIES APPLICABLE TO STUDENTS

In this section of the Code of Student Responsibility, you will find information about other policies besides those policies in the Code of Student Responsibility, that apply to students. This includes policies for student organizations, policies for students who live in the residence halls, and policies that apply to the entire DePaul Community.

As described in more detail in this section, potential student violations of these policies will be addressed either through the Student Conduct Process (<https://catalog.depaul.edu/student-handbooks/code-student-responsibility/judicial-review-process/>) or through the policies and procedures of the specific area.
