

# OTHER UNIVERSITY POLICIES

---

Students must abide by all University policies applicable to them as students. Students should make themselves aware of all University policies. The policies listed below are some of the policies that are most relevant to the day-to-day lives of students. This list is not intended to exempt students from all other University policies applicable to students.

- Academic Integrity (<https://catalog.depaul.edu/student-handbooks/undergraduate/undergraduate-academic-policies/academic-integrity/>)
