

RESIDENTIAL EDUCATION AND HOUSING SERVICES

Resident students are expected to abide by all University policies, including the policies in the Code of Student Responsibility. In addition, Residential Education and Housing Services may set forth additional policies applicable to students who live in or visit the residence halls.

Residential Education administers the Student Conduct Process for many potential violations of policies related to resident students. More information about the Student Conduct Process as managed by Residential Education can be found in the Guide to Student Housing (<https://offices.depaul.edu/housing/resident-resources/guides-policies/Pages/default.aspx>). In some instances, Residential Education may refer a situation to the Dean of Students to manage the Student Conduct Process. All decisions about which area will conduct a Student Conduct Process are at the discretion of the University.
