

# STUDENT CENTERS

---

Student Centers may set forth additional policies (<https://offices.depaul.edu/student-centers/event-management/lincoln-park/Pages/policies.aspx>) applicable to students who use the Student Centers. Potential student violations of policies set forth by Student Centers will typically be addressed through that area. In some instances, Student Centers may refer a situation to the Dean of Students to initiate a Student Conduct Process in response to a potential violation of a Student Center policy.
