

REQUIREMENT TERM

Graduate Program Specific Information

A student will complete the graduate program requirements in place at the time of the student's first enrollment term in the graduate program.

A student who changes graduate programs while their studies are in progress will complete the requirements in place at the time they enroll in the new program.

A student who changes graduate programs during a break between terms (e.g. winter, spring) will follow the requirements in place for the term immediately following the break.

A student who applies for readmission will be subject to the program and concentration requirements in place in the enrollment term of readmission.

Other Information

A student currently enrolled in a degree program in which revisions are approved while their studies are in progress may elect to formally adopt the revised requirements.
