

# STUDENT AFFAIRS

---

A DePaul education encompasses both the scholarship and research of classroom learning and the intellectual, spiritual, moral and personal growth of campus life. The Division of Student Affairs (<https://offices.depaul.edu/student-affairs/Pages/default.aspx>) offers programs, services and resources that foster student success, build community and contribute to the development of the whole student. Through these programs, we strive to develop students into well-rounded individuals who will have a positive impact on their communities and our world.
