

# GRADUATION AND CERTIFICATE APPLICATION

---

Graduating students must apply online for degree conferral in Campus Connect by June 1 for a July graduation, by October 1 for a December graduation, or February 1 for a May graduation. Once your online application has been submitted, you will be prompted to order your cap and gown and reserve a place for you and your guests at the May commencement ceremony.

The College of Law Office of Student Affairs will email a certificate application to all JD students who have applied for degree conferral. Students will not file their certificate application through Campus Connect. Students must submit a certificate application to the Office of Student Affairs even if the certificate program has been added to their Academic Plan and Degree Progress Report. Students may apply for only one certificate. Students may apply for a certificate even if they are completing the necessary credits in their final semester. Certificates are awarded to qualified applicants at the same time as the JD degree.
