MILITARY ACADEMIC ADJUSTMENTS

DePaul University will make academic adjustments for students in the military consistent with all applicable legal requirements. This could include, for example: academic adjustments with a course, options regarding withdrawals or leaves of absence, and readmission at the conclusion of active duty. The details of any academic adjustments are dependent on the student's specific military orders.

Students who are in the military and called to active duty that interrupts their enrollment must complete the Military Leave Form in Campus Connect and provide a copy of their official military orders. Upon their return, they will meet with an academic advisor to discuss resuming their studies. See the Leave of Absence Policy (https://catalog.depaul.edu/student-handbooks/undergraduate/undergraduate-academic-policies/leave-of-absence/) for more details.

Students are encouraged to contact the Veterans Student Affairs Office (https://offices.depaul.edu/student-affairs/support-services/for-specific-populations/Pages/veteran-services.aspx) for more information about other specific procedures regarding withdrawals, leaves of absence, academic adjustments, and for information regarding other policies that may be particularly applicable to students in the military.
