

# LAW PROGRAM LEARNING OUTCOMES

---

DePaul is committed to ensuring educational excellence in each of our academic programs. Articulating learning outcomes for each of our academic programs is an important first step in our ongoing assessment and improvement cycle. By having well-defined learning outcomes as a guide, our programs are positioned to implement and assess quality educational experiences. These outcomes are also mapped to institutional learning goals, further strengthening the connection to overall student learning at DePaul University.

- Health Law (LLM) Learning Outcomes (<https://catalog.depaul.edu/programs/health-law-llm/#learningoutcomestext>)
- Intellectual Property (LLM) Learning Outcomes (<https://catalog.depaul.edu/programs/intellectual-property-llm/#learningoutcomestext>)
- International Law (LLM) Learning Outcomes (<https://catalog.depaul.edu/programs/international-law-llm/#learningoutcomestext>)
