CAREER CENTER

Office of Professional & Career Development (PCD)

The Office of Professional & Career Development (PCD) (https://law.depaul.edu/career-development/Pages/default.aspx) *is located on the third floor of the Lewis Building, in the College of Law Student Services Suite. The counselors in the Law Career Services Office advise students and alumni on all aspects of the job search process and assist them in defining and achieving their career goals. Students are assigned to an individual advisor to ensure that students have a constant resource available to them.*

Career Center

At the DePaul Career Center, we inspire excitement about the future and empower DePaul students just like you to own and shape your personal and professional journeys. We help students build confidence, explore possibilities, participate in career experiences, and become career ready so you can take on Chicago—and the world—with vigor, knowledge and preparation. No matter where you are in your career search, whether it's deciding on a major or career path, making a career change, or preparing for your first job interview, we can help.

- Explore your potential career paths and the career skills (https://resources.depaul.edu/career-center/services-resources/Pages/career-library.aspx) you can build.
- Explore open jobs and internships with the thousands of employers who recruit DePaul grads, check out our many career events and fairs throughout the year, and make an appointment (https://depaul.joinhandshake.com/edu/appointments/new/) for a professional headshot on Handshake (http://depaul.joinhandshake.com/).
- Find on-campus jobs and professional development opportunities through the Office of Student Employment (https://offices.depaul.edu/student-employment/Pages/default.aspx).

The Career Center is located at DePaul's Lincoln Park Campus in SAC 192 and at the Loop Campus in DePaul Center 9500. Students may contact the office at (312) 362-8437 for appointments, or visit the Career Center website (https://resources.depaul.edu/career-center/Pages/default.aspx) for additional information.
