

OFFICE OF VETERAN AFFAIRS

Veteran Student Services (<https://offices.depaul.edu/student-affairs/support-services/for-specific-populations/veteran-services/Pages/default.aspx>) assists student veterans in their transition to college and supports them in achieving their educational goals. Through collaborations with the university and external partners, we provide support, resources and programs that are relevant to veterans at DePaul. The office also works to promote an environment that is inclusive of the veteran experience, in which student veterans can thrive as engaged members of the DePaul community.

As a result of participating in Veteran Affairs' programs, students will be able to:

- Demonstrate life, academic, and career skills.
- Actively manage their transition to DePaul student life.
- Demonstrate self-advocacy and utilize appropriate resources when needs arise.
- Overcome engagement barriers associated with their non-traditional student status to participate in and contribute to the DePaul Community.
