

STUDENT AFFAIRS

Student Affairs delivers programs and services that encourage student academic success by providing opportunities for meaningful engagement and by providing student support that removes or reduces barriers to the successful completion of their degree. We deliver support services, such as counseling, advising and disability accommodations, in addition to programs that encourage students to explore their personal identities, faiths, values and roles in a complex world.

College of Law Student Affairs

The College of Law Office of Student Affairs is located in the Student Services Suite on the third floor of the Lewis Center. Additional information regarding the College of Law Office of Student Affairs is available here (<https://law.depaul.edu/student-resources/student-affairs-registrar/Pages/default.aspx>).
