## CTA U-Pass

The Ventra U-Pass provides unlimited rides for eligible DePaul students on CTA buses and trains during the Autumn, Winter, Spring and Summer Quarters. Students must meet enrollment requirements to participate in the U-Pass program. All students meeting these requirements are automatically enrolled in the program. The U-Pass is not optional for any eligible student. Eligibility is based on 3 criteria, one of which is course enrollment. If your enrollment changes before the last day to drop courses, your U-Pass will be adjusted accordingly.

Full details regarding the U-Pass can be found on the DePaul U-Pass website <http://upass.depaul.edu/>.
