DEAN'S LIST

Any undergraduate student is eligible for the dean's list. Eligibility for
the Dean's List will be determined by a grade point average of 3.500 for
the academic term based on a minimum of 12 graded hours (8 hours for
SCPS students) not including the grades of PA, WA and W. Students who
have received any grades of IN, M or R for the term are not eligible for the
Dean's list until these grades have been resolved, at which time the term
grade point average will be computed.
