RESIDENTIAL EDUCATION

Co-Curricular Learning Outcomes
As a result of participating in Residential Education program-areas, students will be able to:

• Demonstrate knowledge of behaviors that contribute to personal responsibility and respect for others in the community.
• Explain why personal rights and community standards are pertinent to a safe and inclusive community.
• Articulate the importance of residential community standards in their work to build safe and inclusive communities.
• Articulate how DePaul’s Vincentian and urban identity impacts their student experience.
