UNIVERSITY LIBRARY

Co-Curricular Learning Outcomes

Students engaging with University Library (https://library.depaul.edu/Pages/default.aspx) program-areas events will be able to:

- Explain the socio-political landscape of information, including who creates it, who controls it and where to find it.
- Articulate the value of information inquiry.
- Develop effective search strategies for finding information.
- Evaluate the appropriateness of information sources based on their format, structure, and purpose.
- Compile information ethically, following the standards of a scholarly discipline
