# HONOR SOCIETIES

Since 1954, DePaul University has recognized academic honorary societies in order to highlight students' superior academic achievement and leadership. Students are selected to join honorary societies based on their superior academic record within their specific major or across all colleges. DePaul University strives to recognize students' outstanding academic performance and is proud of the rich tradition that these valuable organizations have provided to the university community. Below is a list of each honorary society and its academic discipline.
