---

The Handbook provides University policies that support both academic and behavior expectations.

The University reserves the right to change programs, courses and requirements; and to modify, amend or revoke any rules, regulations, policies, procedures or financial schedules at any time during a student's enrollment period provided.

In addition to the policies and information included in this Handbook, your college or school may have specific guidelines, policies, and procedures for which you are responsible. Please consult your college section.

The Handbook also includes sections on General Information and University Resources.
