

FINANCIAL AID

DePaul is committed to helping make college affordable for our students. We do that by providing information about scholarships, grants, loans and work-study.

Students view and manage the financial aid process online through Campus Connect (<https://campusconnect.depaul.edu/psp/CSPRD92/?cmd=login>). We encourage students to contact OneDePaul and speak to one of our financial aid experts if they have questions or concerns regarding the financial aid process. Information about scholarships is available at Scholarship Connect (https://depaul.academicworks.com/users/sign_in/).
