

LANGUAGE LEARNING CENTER

Free language tutoring service is available through the Department of Modern Languages (MOL).

- Each tutor holds one-on-one meetings either in-person in our Language Learning Center (SAC 305) or online via Zoom.
- Tutors are generally available 8 am-8 pm, Monday through Friday each quarter, with some weekend availability as well.
- Our tutors provide the following language-related assistance:
 - Helping improve students' pronunciation;
 - Explaining grammar structures;
 - Practicing conversational skills;
 - Assisting with reading assignments;
 - Helping with writing assignments;
 - Offering other language-related support in all academic subjects.

You can schedule appointments on your own—at any time—using our online scheduler, WOnline (<https://depaul.mywconline.net/>). If you need assistance, you can chat with a Language Learning Center assistant using our Live Chat feature, or call the Language Learning Center at 773-325-1888.
