

OFFICE FOR ACADEMIC ADVISING SUPPORT

The Office for Academic Advising Support (OAAS) provides academic advising to students who are undeclared or who are looking to change or add a major. Advisors empower students to make academic choices that incorporate their individual interests, skills, and values. Advisors collaborate with all university colleges and schools and are familiar with the curriculum across all majors in order to assist students who are considering programs across multiple colleges. Additionally, OAAS meets with newly admitted transfer students who have not yet attended on-campus orientation to review incoming credit and requirements for their chosen program.

OAAS is located on the Lincoln Park Campus in SAC 192. Students may contact the office at (773) 325-7431 to schedule appointments and can visit the OAAS website at oaas.depaul.edu (<http://oaas.depaul.edu>) for more information.
