

HONORS PROGRAM REQUIREMENTS - DRIEHAUS COLLEGE OF BUSINESS

Honors Program Requirements for Driehaus College of Business

The number of hours required for the Honors Program varies according to major, and is equal to the Liberal Studies Program required hours for that major. Honors requirements include core courses, a science requirement, an art requirement, a language sequence, a multiculturalism seminar, a junior seminar, and a senior thesis or senior seminar.

HON 350	HONORS SENIOR SEMINAR	4
HON 351	HONORS SENIOR SEMINAR IN SERVICE LEARNING	4
HON 395	HONORS SENIOR THESIS	4

Honors Senior Thesis Option

Students who choose to complete an Honors Senior Thesis must have their project approved at least one term prior to executing the project. To gain approval for a senior thesis, students must complete an online application, including a project proposal, signed by two faculty advisors. In keeping with the interdisciplinary nature of the program, the thesis should attempt to move outside the boundaries normally associated with one particular discipline and should be supervised by two faculty members from different academic fields. While the final product must be a substantial piece of work building on the student's accumulated knowledge and new research, specific requirements for each thesis will depend on the nature of the project. See the Honors associate director for further information.

Science Requirement

Honors students in Business will fulfill the science requirement through completion of HON 225 OR a course selected from the university's Scientific Inquiry Lab offerings.

Language Requirement

- Three courses of intermediate or advanced language study are required for all Honors students in Business.
- Students whose placement test results are below the intermediate (104) level of their language or who choose to begin a new language must complete at least 16 credit hours study of the same language; one language course will count as the Honors Approved Elective.
 - After completion of 16 credit hours in the same language, students may apply to waive the remainder of their Honors language requirement.
- Students who place at the advanced level of a language may fulfill the Honors language requirement with either one year of advanced study of that language or one year of a language the student has not previously studied.
- NOTE: Language courses numbered 101-103 may initially appear on the DPR in Open Electives or Additional Courses. Please see an Honors Program advisor for adjustments to the DPR.

Students majoring in Hospitality replace the Fine Arts Elective with HSB 303 and HSB 304.

Honors Approved Elective

Students in Business have one Honors Approved Elective, which can be fulfilled through credit for WRD 103 or a language course or a course outside the major in an area of student interest.

Experiential Learning

Honors students will fulfill the university's Experiential Learning (EL) requirement by completing an EL-designated course in the major OR as an open elective OR as an Honors Approved Elective OR as an Honors core requirement (HON 351 (<https://catalog.depaul.edu/search/?P=HON%20351>)).

AP or IB or Transfer Credit will fulfill Honors Core requirements as listed:

- AP/IB Literature credit for ENG 101 (<https://catalog.depaul.edu/search/?P=ENG%20101>) or ENG 120 (<https://catalog.depaul.edu/search/?P=ENG%20120>) fulfills HON 101 (<https://catalog.depaul.edu/search/?P=HON%20101>)
- AP/IB credit for HST 111 (<https://catalog.depaul.edu/search/?P=HST%20111>) or HST 113 (<https://catalog.depaul.edu/search/?P=HST%20112>) or HST 171 (<https://catalog.depaul.edu/search/?P=HST%20171>) fulfills HON 102 (<https://catalog.depaul.edu/search/?P=HON%20102>)
- AP/IB credit for BIO 191 (<https://catalog.depaul.edu/search/?P=BIO%20191>) or CHE 130 (<https://catalog.depaul.edu/search/?P=CHE%20130>) or PHY 150 (<https://catalog.depaul.edu/search/?P=PHY%20150>) or ENV 102 (<https://catalog.depaul.edu/search/?P=ENV%20102>) fulfills HON 225 (<https://catalog.depaul.edu/search/?P=HON%20225>) or the Scientific Inquiry Lab requirement.
- AP/IB credit for ART 104 (<https://catalog.depaul.edu/search/?P=ART%20104>) or ART 105 (<https://catalog.depaul.edu/search/?P=ART%20105>) fulfills the Fine Arts Elective requirement.
- AP/IB credit for a 104, 105, or 106 language course counts toward the language requirement.
- IB credit for PHL 100 (<https://catalog.depaul.edu/search/?P=PHL%20100>) fulfills HON 105 (<https://catalog.depaul.edu/search/?P=HON%20105>)
- Transfer credit for WRD 104 (<https://catalog.depaul.edu/search/?P=WRD%20104>) fulfills HON 100 (<https://catalog.depaul.edu/search/?P=HON%20100>)
- Credit earned in a dual (high school-college) enrollment program will be evaluated on an individual basis.
- Credit earned through Seal of Biliteracy will fulfill the language requirement.

Grade Requirements

A grade of C- or higher in HON 100 (<https://catalog.depaul.edu/search/?P=HON%20100>) is required to remain in the Honors Program. A grade of C- or higher is required to pass the following:

Course	Title	Quarter Hours
HON 100	RHETORIC AND CRITICAL INQUIRY	4
HON 350	HONORS SENIOR SEMINAR	4
HON 351	HONORS SENIOR SEMINAR IN SERVICE LEARNING	4
HON 395	HONORS SENIOR THESIS	4

Study Abroad

Study Abroad is particularly appropriate for students in the Honors Program and, though not required, is strongly recommended. Honors students interested in Study Abroad should plan to participate during their sophomore or junior year and should make certain that they have fulfilled appropriate modern language requirements before that point in their undergraduate careers. They should meet with the Honors associate director prior to their departure for pre-approval of course substitutions. Coursework completed abroad may substitute for Honors Approved Electives or selected Honors core courses that are equivalent to the study abroad course.

Honors Advising

All Honors students will work with an Honors advisor for academic planning and to schedule Honors courses in conjunction with their major requirements. As a general rule, Honors students take one or two Honors courses each quarter during their first and second years of study and one or two Honors courses a year in the junior and senior years.

Transfer Honors

Transfer Honors offers students the full benefits of the Honors Program with the opportunity to fulfill requirements using courses taken at previous institutions. For students admitted to Transfer Honors, the Honors curriculum replaces Liberal Studies requirements. Evaluation of transfer credit toward Honors requirements is done on an individual basis, and specific Honors requirements vary according to a student's college and major.

Please note that Transfer Honors is a residential program with most classes offered during the day on the Lincoln Park Campus.

Transfer Honors Requirements

Students who enter Transfer Honors will consult with an Honors Program advisor to determine how transfer credit can apply to the following Honors requirements:
