[School of Music - Graduate Studies](#) [General Information](#) [Programs of Study](#)

Programs of Study

The School of Music offers programs leading to the Master of Music degree in the fields of applied music (performance), composition, music education and jazz studies. A minimum of 44 quarter hours of graduate credit is required for the Master of Music degree. This total is divided between the core studies (required of all master of music students), and the specialization requirements which relate uniquely to the area of specialization. (Specialization requirements listed under Course Requirements, page 230.)

[School of Music - Graduate Studies](#) [General Information](#) [Admission](#)

Admission

The first charter of DePaul University included a statement on nondiscrimination and the policy has been enforced vigorously for over 80 years. Students, faculty and the public are entitled to equal treatment regardless of race, creed or color. It is the policy of the School of Music to make admission decisions without regard to the race, color, religion, age, gender, sexual orientation, national origin or handicap of the candidate.

[School of Music - Graduate Studies](#) ▫ [General Information](#) ▫ [Degree Seeking Students](#)

Degree Seeking Students

Admission to the graduate-degree programs is based on evidence of ability to be successful in graduate study. Other criteria include:

- ∨ Completion of the bachelor of music degree, or equivalent, from an accredited institution.
- ∨ A cumulative grade point average of 3.0 (A = 4.0).
- ∨ Three letters of recommendation.
- ∨ Demonstration of special competence in the major area, including an audition for applied (performance) majors.
- ∨ Voice applicants must demonstrate competence in Italian, French, and German diction by audition and written IPA exam.

The applicants undergraduate preparation should be related to the intended graduate major. If deficiencies exist in the bachelor of music equivalent (resulting, for example, from having completed a different degree or attempting to change the major emphasis), students may, with approval of the graduate studies committee, be admitted to the Graduate Division as non-degree students for the purpose of removing deficiencies.

[School of Music - Graduate Studies](#) ▫ [General Information](#) ▫ [Certificate in Performance](#)

Certificate in Performance

The School of Music also offers a program leading to the Certificate in Performance. The Certificate in Performance is a post-masters degree for classical or jazz musicians, who intend to pursue careers as professional performers. The degree is comprised of six quarters of applied study (24 credits), along with study (12 credits) in related fields such as ensembles, chamber music, pedagogy, or repertoire.

[School of Music - Graduate Studies](#) ▫ [General Information](#) ▫ [Non-Degree Seeking Students](#)

Non-Degree Seeking Students

Students who do not intend to work for a masters degree or who have missed the degree seeking deadline may file an application for non-degree-seeking status under the following regulations:

1. Applicants who have not earned a bachelors degree or its equivalent from an accredited institution cannot be admitted.
2. Applicants must demonstrate special competence in major area, including an audition for applied (performance) majors.
3. Applicants refused admission as degree-seeking students may not enroll as non-degree-seeking students. Non-degree-seeking status may be terminated at any time by the associate dean. Non-degree-

seeking students who plan to register for or who accumulate a substantial amount of credit are advised to become degree-seeking students. Only the first 12 quarter hours earned as a non-degree-seeking student at DePaul may subsequently be applied toward a degree when the student is accepted as a degree-seeking student.

[School of Music - Graduate Studies](#) [▫](#) [General Information](#) [▫](#) [Student-At-Large](#)

Student-At-Large

A student completing a graduate program at another accredited institution may, on the written recommendation of the associate dean, be admitted as a student-at-large.

International Students

[School of Music - Graduate Studies](#) [▫](#) [General Information](#) [▫](#) [Procedures for Admission](#)

Procedures for Admission

Applicants for admission should obtain application forms from the School of Music, 804 West Belden Avenue, Chicago, Illinois 60614. The completed forms along with official transcripts of credits should be on file not later than four weeks before the opening of registration. Since there often is a delay in the forwarding of transcripts, applicants are advised to initiate the application procedures as early as possible. A nonrefundable application fee is required of every student applying for admission to the University as a degree-seeking student. When admission has been approved, the applicant will be apprised of the diagnostic examination schedule and interviews with graduate advisors .

[School of Music - Graduate Studies](#) [▫](#) [General Information](#) [▫](#) [Diagnostic Examinations](#)

Diagnostic Examinations

Students who have been admitted to the masters degree program must take diagnostic examinations in musicianship and, in performance and music education, the area of major concentration. These examinations, taken prior to initial enrollment, will be used to identify areas where additional emphasis may be suggested through self-study or choice of electives.
