General Information

.....

DePaul University, founded on Judeo-Christian principles, continues to assert the relevance of these principles through higher education to our students. The University expresses these principles especially by passing on the heritage of St. Vincent DePaul: individual perfection manifested through purposeful involvement with other persons, communities and institutions. The School of Education manifests these principles in its purpose, and through its programs.

As an urban institution, the School of Education is committed to improving primary and secondary education in the metropolitan area and, in particular, in the city of Chicago. Framed within a commitment to promote and support diversity, the School of Education prepares all of its students to be "Urban Professional Multicultural Educators" who:

- Promote positive transformation
- Consider multiple perspectives
- Integrate inquiry, theory, and practice
- Exhibit Vincentian personalism
- Function as life long learners.

Department of Teacher Education - Lincoln Park
.....

The Department of Teacher Education prepares Urban Professional Multicultural Educators through an integrated program of courses and field experiences. Programs offered are designed for the preparation of future educators. The programs of study center around our commitment to excellence in teaching in today's diverse society through the investigation of significant educational issues, inquiry into student learning and effective teaching practices, and the use of technology in teaching and learning. We engage teacher candidates in critical reflection upon their practice throughout the program. We foster engagement in schools through our Professional Development Schools and other school and agency affiliations. Upon completion of the program, teacher candidates measure themselves against the values of our guiding conceptual framework through the completion of professional portfolios. Values that are part of this framework include: commitment to social justice, critical pedagogy, and positive educational transformation within the context of a Vincentian personalism that honors the dignity of each person.

The Department of Teacher Education at the Lincoln Park Campus offers the following undergraduate programs:

- Bachelor of Science in Early Childhood Education
- Bachelor of Science in Elementary Education
- Bachelor of Science in Physical Education
- Bachelor of Arts in Secondary Education: English, History, Mathematics, Modern Languages, Social Science, and Visual Arts
- Bachelor of Science in Secondary Education: Biology, Chemistry, Mathematics, and Physics

Admission to the University

Admission to the University

.....

Candidates interested in admission to the School should direct all inquiries to the Office of Admission, DePaulUniversity, 1 East Jackson Boulevard, Chicago, Illinois 60604. Telephone (312) 362-8300; e-mail admitdpu@depaul.edu. The Office of Admission will provide each candidate with the required forms and instructions for filing the application. A nonrefundable application fee of \$25.00 is required of each applicant. For further information on the regulations and procedures governing admission, consult the Handbook for Undergraduate Studies at the end of this Bulletin.

Admission to the School of Education/Professional Education Unit

.....

Students who have been admitted to the University may declare an education major and are admitted as pre-education students. Those who meet additional requirements are eligible to apply for full admission to one of the Teacher Education programs. A separate application process is required. Additional requirements include:

- Have a 2.5 grade point average in 28-32 credit hours of college work
- Pass the Illinois Basic Skills Test
- Pass the SOE basic computer competency assessment (EDU 025 registration required)

There is no time limit to meet the criteria for full admission to one of the teacher preparation programs; however, students may take only a limited number of pre-education classes until they have done so. Students may continue to take Liberal Studies courses. These criteria apply to all new School of Education undergraduate students whether they begin as first year, transfer, re-admitted or inter-college transfer students. Music Education majors should consult the School of Music for requirements.

Students who already hold a Bachelor's Degree from an accredited institution and wish to meet teacher certification requirements should contact the School of Education at (773) 325-4409 to inquire about options at the graduate level.

Academic Advisors

.....

The School of Education provides academic advisors who are responsible for the initial advising of all new undergraduate students. New students should meet with an advisor to plan their academic program, since requirements for certification are complex. It is the responsibility of the academic advisor to assist students with the planning and selection of courses in order to ensure academic progress toward graduation and certification in a timely fashion. It is the responsibility of all students to familiarize themselves with all program requirements, keep track of their progress, and meet application deadlines. Advisors serve as a referral to other student affairs offices within the university. For student's rights and responsibilities concerning advising, visit <http://sr.depaul.edu/statement.shtml> . To schedule an appointment with an advisor, call (773) 325-4409.

School of Education General Program Requirements
.....**LIBERAL STUDIES PROGRAM REQUIREMENTS**

The student's course of study in the Liberal Studies Program is part of the undergraduate program devoted exclusively to liberal education. Students must take a set of Liberal Studies Core courses as well as courses in six Liberal Studies Domains. The program seeks to balance and, when necessary, augment the student's course of study in the major field. All students in the School of Education are required to complete 76-80 quarter hours of liberal studies course work. Except for LSE 380, education students may not take education courses to fulfill liberal studies requirements. For more information concerning the purpose and curriculum of the Liberal Studies Program consult the Liberal Studies section of the course catalog. Only designated courses may be taken for Liberal Studies credit. Log on to Campus Connection and use the Liberal Studies drop-down box when selecting courses for the Learning Domains. The student should be certain to consult an advisor if there are any questions about how to select courses in the Learning Domains. Academic advisement is an integral part of the Liberal Studies Program and necessary to the integration of the program with the requirements of the student's major field. The number and distribution of the required Liberal Studies course work is incorporated below under Professional Education Program Requirements.

Modern Language Option Within the Liberal Studies Program

Students who wish to study a modern language, either for their own interest or for the requirements of their major field, may be able to substitute a three-course sequence in a modern language for two courses in two different domains except Scientific Inquiry. Interested students should contact an advisor for information concerning the regulations and procedures governing the exercise of the option. Courses will be applied in consultation with a School of Education advisor.

COMPETENCE IN MODERN LANGUAGE REQUIREMENT

Students who intend to graduate with the Bachelor of Arts degree will be required to demonstrate competence in a modern language. Such competence may be demonstrated in one of several ways: by successful completion of two years of high school course work in a modern language, by achieving a score of 3 or higher on the Advanced Placement test, by a satisfactory score as determined by the Modern Language Department on the CLEP examination, or by taking appropriate course work. Note that CLEP scores may be used only to meet the language requirement. Credit is not awarded in modern languages on the basis of CLEP scores. Students who are required to do course work must demonstrate modern language competence equivalent to a complete introductory sequence (101-102-103). Students with some modern language training should consult with the Modern Language Department about the course with which they should begin. Students with little or no previous work in the language will be required to complete the entire three-course introductory sequence. B.A. students who meet this requirement and wish to pursue further work in the language may elect the Modern Language

Option of the Liberal Studies Program. While B.S. students are not required to demonstrate competency in a modern language, the Modern Language Option is available to them for language study at any level.

Physical Education Core: 18 quarter hours required

- PE 111 Motor Development Throughout the Life Span
- PE 206 Personal & Community Health
- PE 273 Health & Nutrition
- PE 302 First Aid (2 hours)
- PE 303 Athletic Injuries
- EDU 025 Basic Technology (0 credit hour)

Physical Education Activity Courses: 8 quarter hours required

- PE 060 or 213 Dance, Exercise, Aerobics or Folk and Social Dance (2 hours)
- PE 121 Swimming (2 hours)
- PE 066 Beginning Weight Training (2 hours)
- PE 071 Fitness and Conditioning (2 hours)

Physical Education Team & Individual Sports: 8 quarter hours required

Choose 4 from the courses below:

- PE 181 Flag Football (2 hours)
- PE 182 Volleyball (2 hours)
- PE 186 Track and Field (2 hours)
- PE 187 Basketball (2 hours)
- PE 276 Tennis (2 hours)
- PE 277 Golf (2 hours)

Professional Education

.....

Advance Standing Courses: 36 quarter hours required, grade of C- or better required

- SCU 336 Adolescent & Adult Growth & Development or SCU 337
- Human Growth & Development
- PE 341 Historical & Philosophical Foundations in PE
- PE 346 Management of Sports & PE
- PE 351 Kinesiology
- PE 352 Physiology of Exercise
- PE 360 Education, Psychology & Measurement of Learning
- PE 362 Fitness Testing, Assessment, & Prescription
- PE 374 Adapted Physical Education
- PE 390 Psycho-Social Aspects of Sport & Physical Activity

Internship: 12 quarter hours required

- PE 380 Internship in Fitness (12 hours)

Open Electives: 12 quarter hours are required

- MAT 130 recommended for biology foundation and commerce course prerequisites.
- Any course not used for another degree requirement can fulfill open electives

School of Education - Undergraduate Studies ▶ Program Requirements ▶ Programs in Physical Education (PE) ▶ Sport & Fitness Management Concentration ▶ Minor Sequences in Physical Education, Coaching and Health Endorsement

Minor Sequences in Physical Education, Coaching and Health Endorsement

.....

In addition to these major concentrations of study, there are sequences of courses, which could lead to minors and/or endorsements in Physical Education, Training, Coaching, and Health. The programs outlined below are intended for the student who desires to develop a second teaching area in physical education.

Physical Education minor sequence

Theory: PE 302, 317, 341, 345.

Activity: PE 111, 121, 151; and *two* courses from 181, 182, 183, 185, 186 or 187.

Coaching minor sequence

Theory: PE 302, 303, 345, 351, 352, 390, 391, 202.

Health minor (leading to a middle school teaching endorsement for teacher candidates)

Theory: PE 206, 273, 302, 304, plus five additional courses to meet state requirements (see advisor).

About Secondary Education

.....

Programs in Secondary Education leading to the **Bachelor of Arts** degree and certification in grades 9-12 include English, History, Mathematics, Social Science and Visual Arts. Programs in Secondary Education leading to a **Bachelor of Science** degree and certification in grades 9-12 include Biology, Chemistry, Environmental Science, Mathematics, and Physics. Programs require 192-208 quarter hours for BA or BS degree depending on content area. A grade of C- or better is required in all Education and content-area courses.

World Language Education programs leading to a Bachelor of Arts degree and certification in grades K-12 include Chinese, French, German, Italian, Japanese and Spanish. Programs require 192 quarter hours. A grade of C- or better are required in all Education and content-area courses.

Note: Certification can be extended to Middle School grade levels (5-8) by taking SCU 339 and passing appropriate tests as guided by Illinois State Board of Education guidelines.

Other Requirements

.....

Field and Clinical Experience Requirements

Certification Requirements

Special Courses and Course Sequences

Teaching Certification for College Graduates

Field and Clinical Experience Requirements

.....

Each teacher preparation program requires field experiences and student teaching.

Field Experiences

Each student seeking certification from the School of Education/Professional Education Unit must complete supervised field experiences in appropriate settings in conjunction with education courses. The field experiences comprise a minimum of 100 clock hours, and must include a variety of grade levels, multicultural experiences, and a minimum of 10 hours in special education settings. All field experiences *must* be completed prior to final approval for student teaching or internship. Students register for the appropriate field experience course(s) (EDU 095, or ECE 091, 092, 093, 094) only once.

Student Teaching

Student Teaching is the culminating clinical experience in the student's program. All students in teacher preparation programs must meet the following requirements before applying for student teaching:

Academic Requirements:

- Completion of all Liberal Studies, Allied Field, and ECE and EE concentration course requirements
- Completion of all education and content area courses with a G.P.A. of 2.75 or better
- Cumulative G.P.A. of 2.50 or better
- Meet all other program requirements (e.g., modern language and residency requirements)
- Meet designated program standards
- Pass the relevant Illinois content area (subject matter) test

Clinical Requirements:

- Completion of all required field experiences
- Three satisfactory evaluations in field experiences
- Three satisfactory faculty recommendations
- Attendance at mandatory meeting for student teaching
- Application for student teaching (check deadlines)
- Review and approval by Student Teaching Committee of the School of Education.

Certification Requirements

.....

In addition to the requirements described above, the state of Illinois places additional requirements on students seeking certification. All certification and endorsement requirements are subject to change based on Illinois State Board of Education modifications in requirements.

State Tests

The Illinois State Board of Education requires that a candidate for certification pass three tests:

- Test of Basic Skills
- Test of Content Area Knowledge
- Assessment of Professional Teaching

Passing the Basic Skills Test is also a requirement for admission into the School of Education.

Passing the Content Area Knowledge Test is also a requirement for admission into student teaching.

Passing the Assessment of Professional Teaching is required for state certification.

Application for Certification

School of Education programs lead to state teacher certification. However, certification is not automatic upon completion of a program. In addition to meeting all program requirements and passing all required state tests, the student must apply for certification. Forms and procedural information are available in the School of Education Office.

Application for Degree Conferral

SOE programs lead to degree conferral. However, degree conferral is not automatic upon completion of a program. Students must apply for degree conferral. Deadlines and applications are available in the School of Education Student Affairs Office.

Middle School Endorsement Requirements

According to State of Illinois certification guidelines, both Elementary and Secondary education students who wish to teach in a departmentalized middle school setting (grades 5-8) must meet three criteria:

- Complete at least 18 semester hours in a content area that is taught in middle grades. All secondary education majors have at least one content area based on their secondary education requirements. Most elementary education majors will have at least one content area based on their concentration requirements. We strongly recommend that you speak with your advisor about possible endorsement areas at your initial advising appointment.
- Complete at least 3 semester hours in middle school methodology. All

students have met this requirement through the DePaul education courses. No additional course work is needed to meet this requirement.

- Complete a course in middle school philosophy and/or psychology. This course, SCG 339, Philosophy & Psychology of Middle Level Education, is an option in the curriculum. If SCG 339 is selected, it should be completed prior to student teaching.

Middle school endorsements are only applicable to Elementary and Secondary Education students. Early Childhood majors are not eligible to teach in the middle grades. Students who do not choose to earn a middle school endorsement will generally be restricted in the grade levels they can teach. Elementary education majors will normally be eligible to teach in K to 4 only; Secondary education majors will be eligible to teach in grades 9 to 12 only. After completion of the program and after applying for the Type 10 certificate, PE students may wish to request an endorsement evaluation directly from ISBE.

Special Courses and Course Sequences

.....

The School of Education offers the following planned sequences of courses for undergraduates: Coaching, Physical Education, and Health Education. For students interested in pursuing general studies in education, courses are offered in Liberal Studies in Education exploring such relationships as social justice and education, education in literature, and the politics of education. All students are invited to enroll in these Liberal Studies in Education courses.

Undergraduate students who have completed all the necessary course requirements for the bachelor's degree may enroll for courses at the graduate level. To enroll in graduate courses, undergraduate students must have the written permission of the Department Chair.

Teaching Certification for College Graduates

.....

The School of Education offers an opportunity for graduates of accredited colleges and universities to prepare for a career in teaching in early childhood, elementary, and secondary education. Students may pursue certification through the graduate program which combines certification with a Master's degree in Education. Successful completion leads to a teaching certificate for the State of Illinois in the area of the student's specialization.

All candidates in these graduate level programs must have completed an academic program that parallels the liberal studies program at DePaul University. Candidates for the secondary education program must also have completed an academic program that parallels the DePaul teacher education program requirements in their selected area of content for teaching (English, History, Mathematics, etc.). No student will be permitted to student teach until all general education, content area, and professional education courses are completed. In addition, the Illinois State Board of Education requires certification candidates pass a test of basic skills, a test of content area knowledge, and an assessment of professional teaching.

2008-2009 FULL-TIME UNDERGRADUATE CATALOG

School of Education - Undergraduate Studies ▸ Advanced Graduate Programs

Advanced Graduate Programs

.....

The School of Education offers the following advanced programs for professional educators who wish to earn a master's degree. For further detail, please consult the DePaul University Graduate Catalog.

Department of Leadership in Education, Language, and Human Services

- Bilingual/Bicultural Education

- Language, Literacy and Specialized Instruction

Department of Policy Studies and Research

- Social and Cultural Foundations in Education

Index Of Undergraduate Course Offerings

.....

In addition to courses offered for degree programs, the School of Education offers courses that are not required for a degree in Education or for certification but which may fulfill Liberal Studies requirements or may be useful as electives. All courses carry 4 quarter hours credit except where noted.

Liberal Studies in Education (LSE)

- 201 Diverse Values and Voices in Education
- 210 Multiculturalism and Education
- 254 The Politics of Education
- 258 Education and Social Justice
- 300 Education and Literature
- 310 Contemporary Issues in Education
- 354 Culture, Context and Learning
- 362 Identity and Education
- 380 Philosophical Issues in Education

Social and Cultural Foundations in Education (SCU)

- 207 Social and Historical Issues in Education
- 336 Adolescent and Adult Growth and Development
- 337 Human Growth and Development
- 338 The Process and Evaluation of Learning
- 339 Philosophy and Psychology of Youth and Middle Level Education
- 399 Independent Study

Education - General (EDU)

- 025 Basic Computer Literacy (0 qh)
- 095 Field Experiences with Children and Youth (0 qh)

Early Childhood Education (ECE)

- 091 Clinical Experiences with Infants and Toddlers (1 qh)
- 092 Clinical Experiences with Young Children and Families (1 qh)
- 093 Clinical Experiences with Pre-Schoolers (1 qh)
- 094 Clinical Experiences in Primary Grades (1 qh)
- 286 Art, Music, and Movement for the Young Child
- 290 Child Growth and Development
- 302 Child and Family in the Urban Environment
- 303 History and Philosophy of Early Childhood Education
- 306 Understanding Young Children's Behavior
- 307 Speech and Language Development of the Young Child
- 309 Young Exceptional Child
- 310 Preprimary Programs: Curriculum and Strategy
- 311 Curriculum and Instruction in Primary Grades
- 312 Bilingual Therapy in Early Childhood Development
- 313 Cross cultural studies in Early Childhood Education
- 314 ECE Methods and Materials for English Language Learners
- 331 Beginning Mathematics and Science Instruction
- 375 Early Childhood Assessment

- 376 Workshop for Pre-Service Teachers
- 384 Capstone in Early Childhood Education
- 385 Early Childhood Student Teaching (12 qh)
- 399 Independent Study in Early Childhood Education (12 qh)

Elementary Education (EE)

- 281 Introduction to Educational Practice
- 317 Physical Education and Classroom Management in the Elementary School
- 324 Reading/Language Arts in the Early Years
- 326 Reading/Language Arts in Intermediate and Middle Grades
- 333 Teaching and Learning Elementary School Mathematics
- 334 Elementary Science Inquiry Teaching Strategies
- 344 Art and Music in the Elementary School
- 347 Children's Literature
- 355 Methods: Contemporary Teaching of Social Studies
- 356 Assessment in the Elementary Classrooms
- 376 Workshop for Pre-Service Teachers
- 384 Capstone in Elementary Education
- 385 Elementary Student Teaching (12 qh)
- 399 Independent Study

Language, Literacy, and Specialized Instruction (LSI) (Special Education)

- 346 Strategies for Mainstreaming and Inclusion

Physical Education (PE)

- 060 Aerobics (2 qh)
- 066 Beginning Weight Training (2 qh)
- 071 Fitness and Conditioning (2 qh)
- 076 Advanced Weight Training (2 qh)
- 080 Rape Aggression Defense Systems (RAD) [2 qh]
- 111 Motor Development Throughout the Life Span
- 121 Swimming (2 qh)
- 151 Gymnastics (2 qh)
- 181 Flag Football (2 qh)
- 182 Volleyball (2 qh)
- 183 Soccer (2 qh)
- 185 Softball (2 qh)
- 186 Track and Field (2 qh)
- 187 Basketball (2 qh)
- 206 Personal and Community Health
- 213 Folk-Social Dance
- 273 Health and Nutrition
- 276 Tennis (2 qh)
- 277 Golf (2 qh)
- 302 First Aid: Responding to Emergencies
- 303 Athletic Injuries
- 304 The School Health Program
- 317 Physical Education and Classroom Management in the Elementary School
- 341 Historical and Philosophical Foundations of Physical Education
- 346 Organization/Administration of Physical Education, Sports, and Fitness Programs
- 351 Kinesiology
- 352 Physiology of Exercise
- 360 Educational Psychology and Measurement of Learning
