

DEPAUL UNIVERSITY

College of Law

Welcome to DePaul University College of Law!

DePaul University takes its name from St. Vincent de Paul. The religious community founded by St. Vincent, commonly known as the “Vincentians,” established the University and endowed it with a distinctive spirit premised upon a deep respect for the dignity of all persons and a dedication to the service of others. In each succeeding generation, the graduates of DePaul have pursued learning in the spirit of St. Vincent de Paul.

DePaul University College of Law has educated and trained leaders in the legal profession for nearly a century. Our nationally acclaimed programs and institutes prepare students to practice law at a sophisticated level in an increasingly complex profession.

But studying law at DePaul involves more than mastering technical legal doctrine. You have now become, and for the rest of your life will remain, part of the College of Law family. Do not hesitate to call upon any of us, faculty, administrators or staff, to assist you in whatever way that we are able.

Good luck with your studies and welcome to the family.

II. KNOWLEDGE OF PROCEDURES AND GRADUATION REQUIREMENTS

§ 2.1 *Student Responsibility for Fulfilling Requirements*

Each student is solely responsible for ensuring that he or she fulfills all requirements for the degree being sought. Graduating seniors should undertake an independent review of their records before they register for their final semester by ordering a degree progress report or a course history from Campus Connection. IF A PROSPECTIVE GRADUATE HAS NOT FULFILLED ALL DEGREE REQUIREMENTS, HE OR SHE WILL NOT RECEIVE A DEGREE AND WILL NOT BE CERTIFIED FOR ADMISSION TO THE BAR.

Note: Participation in the graduation ceremony **does not** establish entitlement to a degree. The actual degree award does not take place until the University completes its degree audit. Final certification of degrees is completed by the University Student Records Office and may take up to ten weeks after the commencement ceremony.

§ 2.2 *Application for Graduation and Certificates*

JD, LLM, and JD joint degree seniors must apply for graduation on Campus Connection by June 1 for a July graduation, by October 1 for a December graduation or by February 1 for a May graduation. Applicants for the JD degree must also complete a Career Services survey and file it with their Application for Graduation. Applicants for JD certificates must complete and submit a certificate application. The on-line degree conferral application is on Campus Connection, www.depaul.edu. The other applications are available on the law school web site, www.law.depaul.edu.

§ 2.3 *Commencement*

Commencement is held annually in May. If a student fails a class and is short credits no more than three credits for a degree, the student may attend the commencement ceremony but will not be awarded the degree until the credits are completed.

III. JD GRADUATION WITH HONORS AND ORDER OF THE COIF

§ 3.1 *Juris Doctor Honors*

JD students whose cumulative grade point average (GPA) places them in the top five percent of their class are awarded their degree *summa cum laude*. JD students whose cumulative GPA places them in the next five percent of their class are awarded their degree *magna cum laude*. JD students whose cumulative GPA places them in the next 10 percent of their class are awarded their degree *cum laude*. The awards are given to the entire class that graduates in an academic year, full-time and part-time students combined. The awards are announced at the end of the academic year. Once the awards are announced and posted by the College of Law and the University Student Records Office, the awards are not affected by any subsequent grade changes.

Students who transfer to the College of Law after they complete first-year coursework at another law school are eligible for graduation honors. Grades earned at a transfer student's prior law school are included in the GPA computation for honors eligibility. Grades earned when students visit another law school after their first year are included in the GPA for honors eligibility if they take 12 or more credits at another law school.

§ 3.2 *Order of the Coif*

JD graduates who rank in the top 10 percent of their class may be elected by the faculty to the Order of the Coif. Coif awards are announced in the summer at the end of the academic year. Once announced and posted by the University Student Records Office, the awards are not affected by any subsequent grade changes. The rules for honors awards for transfer students also apply to election to Order of the Coif.

Legal scholars, judges and practicing attorneys submit articles for publication that are selected and edited by a board of student editors. Members of the *Law Review* also contribute articles that discuss recent cases and developments in the law. Election to *Law Review* is one of the highest honors a student can achieve in his or her law school career. Students are invited to join the *Law Review* after their first year of law school based upon either their academic performance or their performance in a write-on competition. Transfer students may join the *Law Review* only via the write-on competition.

Academic Achievement. Students are invited to join the *Law Review* at the end of their first academic year if they rank in the top 10 percent of their class.

Summer Write-On Competition. The Intra-Journal Write-On Competition is administered by the editors of the *Law Review* and other Journals. Competition dates and requirements are announced in the summer. The *Law Review* Editorial Board selects which students, if any, will be invited to join based upon the competition.

Students who have completed at least 31 credit hours are eligible to compete. *Journal* staff members do cite-checking and write a case note or comment.

Editorial Board. In the spring of each academic year, staff members may apply for an editorial position on the following year's Editorial Board. Each Editorial Board chooses its own successors.

Credit for the Journal. Editors of the *Journal* may receive course credit. Credits are graded pass/fail. Editors may earn a maximum of 6 credits (three per semester) for *Journal* editorial work. Editors also may receive tuition stipends based upon the nature of their service on the Editorial Board.

National team moot court credits are graded pass/fail; international moot court competition credits are graded in the normal manner. Students may earn a maximum of six credits for moot court competition.

In order to earn credit for moot court, students must:

(1) Participate as a team member (competitor) in a sanctioned external moot court appellate or trial team competition. Appellate team members are selected by a Moot Court Executive

Board Committee comprised of faculty and students. Trial team members are chosen by the trial team coaches in tryouts.

(2) Meet all program requirements as outlined by the program directors and coaches including, but not limited to, the writing of briefs, attending moot practice and training seminars and otherwise adhering to the coaches' guidelines.

Subject to the limitations set forth above, students may earn a maximum of 12 hours of *Journal* and Moot Court credit while enrolled in law school. In order to receive credit, students must obtain a permission slip, have it completed by their faculty adviser and turn the completed slip in to Lorraine Schulz in the Office of Student Affairs. *Journal* and Moot Court credit will not be awarded if the appropriate registration is not completed.

V. ACADEMIC AND ADMINISTRATIVE REGULATIONS FOR JD AND LLM STUDENTS

§5.1 ***Communications and E-Mail Addresses***

All students receive a DePaul student e-mail address when they enroll. Students are encouraged to use the DePaul e-mail address for College of Law communications. Students must insure that their e-mail address on Campus Connection is correct at all times. If your e-mail address is not correct on Campus Connection, you may not receive information necessary to pursue your law studies. Failure to provide a correct e-mail address will not excuse non-compliance with rules, regulations or requirements communicated by the law school via e-mail.

Many e-mail systems enforce filter software, which might block important messages. The College of Law uses numerous e-mail addresses to inform students of registration times, exams, schedules, events and important news. In order to receive e-mail from the law school, we recommend the following:

1. Please review your junk mail filter settings and select the appropriate level.
2. Please add <http://sr.depaul.edu>, dwhite@depaul.edu, greenbe@depaul.edu, and ctaylor@depaul.edu to your address book.

§ 5.2 ***Employment Limitation for Full-Time JD Students***

The American Bar Association rules permit College of Law full-time students to be employed for a maximum of 20 hours per week while school is in session. If a student must work more than 20 hours per week, the student must transfer to the part-time division. If full-time first-year students feel compelled to work, they should be careful to limit their hours so as not to interfere with their studies. Students are expected to arrange their work schedule around College of Law classes. Adjustments in the curriculum or final exams will not be made because of work conflicts.

§ 5.3 ***Class Attendance Rules***

Attendance is mandatory for all law school classes. Each instructor may establish penalties for lack of attendance. At his or her discretion, an instructor may give the student a grade of

FX, lower the final grade or require the student to withdraw from the class. In the event of a mandatory withdrawal, tuition for the class will not be refunded.

Limited Enrollment Course Attendance. If a student registers for a limited enrollment course such as a senior research seminar, a litigation skills course or a practice skills course, and does not attend the first week of the class, the instructor may prohibit the student from taking the class. A student compelled to withdraw from a class will not receive a tuition refund if the official refund deadline has passed.

§ 5.4 ***Class Attendance in Proper Section***

Students are required to attend the section of a course for which they are registered. A student may not attend another section of the same course, even if taught by the same instructor.

§ 5.5 ***Recording of Class Sessions***

Classes may be recorded only with the permission of the instructor. Students with disabilities who must tape classes as an accommodation for their disability should make arrangements with the Assistant Dean for Multicultural Affairs and Student Support Services.

§ 5.6 ***Required Courses***

Students must take all required courses at the time prescribed and in the sequence designated by the College of Law. First-year students may not drop required courses or take reduced class loads absent extraordinary extenuating circumstances. In order to do so, they must obtain the consent of the Assistant Dean of Student Affairs. Required courses must be taken at DePaul and cannot be taken at another law school.

§ 5.7 ***Courses With Prerequisites***

Some courses have mandatory prerequisites. Prerequisites must be completed **before** a student may enroll in those courses. Students may not take a course and its prerequisite course simultaneously.

§ 5.8 ***Registration, Course Changes, Tuition Refunds and Deadlines***

Registration. Registration takes place according to a schedule promulgated in advance. Students are afforded registration priority based upon the number of credits they have accumulated. Registration for the summer and fall semesters takes place in the spring. Registration for the spring semester takes place in the fall. Once registration begins, it remains open until the close of the add/drop period. Registration is accomplished over the internet via Campus Connection. Registration instructions are emailed to students prior to the opening of registration each semester.

Deadlines and Tuition Refunds. The deadline to withdraw from a course and receive a tuition refund is the end of the second week of class in the fall and spring semesters. The tuition refund deadline for the summer semester is the end of the first week of class. The deadlines are published on the academic calendar on the College of Law web site. A student may withdraw from a class up until the last scheduled class day of a semester, *i.e.*, before the reading and final examination period begins, but tuition will not be refunded if the withdrawal takes place after the refund deadline. Simply not attending a class is not a withdrawal. If a student does not withdraw from the class on Campus Connection, the student is responsible for the tuition charges.

Official Add/Drop and Withdrawals. A course may only be officially added or dropped through the Campus Connection web registration site. Classes may not be added after the add/drop deadline. Classes may be dropped on Campus Connection until the sixth week of the semester. Thereafter, students who wish to drop a class must contact the Office of Student Affairs. For any course dropped after the add/drop deadline, a “WA,” for withdrawal will appear on the official DePaul transcript. The grade of “WA” does not affect a student’s GPA. Students may not drop a class once the reading period and exams begin.

§ 5.9 **Pass/Fail, Non-Classroom Credit Hours: 12 Credit Limit**

The faculty has designated certain courses for pass/fail status. A student may not elect to take a course pass/fail that has not been so designated.

A JD student may earn a maximum of 12 credit hours for non-classroom courses, most of which are graded pass/fail. Courses that count toward the 12 credit non-classroom limit include: the *Journal of Art, Technology and Intellectual Property Law* Editorial Board; the *Business & Commercial Law Journal* Editorial Board; Field Placement; the *Health Care Law Journal* Editorial Board; the *Law Review* Editorial Board; *The Journal Of Social Justice* editorial board; *The Journal of Sports Law and Contemporary Problems* editorial board; National and International Moot Court Competitions; Guided Research; LARC TA’s and Independent Study. With the exception of Independent Study, all of the above courses are graded pass/fail.

§ 5.10 **Registration for the Field Placement Program**

The Field Placement Program is designed to give upper-level students practical legal experience through an externship with a government agency, not-for-profit legal organization or member of the judiciary. Students must have completed 40 or more credit hours with a GPA of at least 2.0 in order to be eligible. Students may participate in a maximum of two one-semester field placements while in law school. Students earn three credits per semester.

Associate Dean Howard Rubin is the coordinator of the Field Placement Program. To register, a student must obtain a permission slip from Dean Rubin and turn it in to Lorraine Schulz in the Office of Student Affairs. (LLM students should submit their permission slips to Gini Knittle, the Assistant to Associate Dean Greenberger.) The registration must be completed by the end of the first week of classes.

Additional information about the Field Placement Program is available on the College of Law web site and at the Field Placement Office (Room 814).

§ 5.11 **Registration for Clinical Programs**

Students desiring to take a Legal Clinic must obtain a registration permission slip from the supervising clinical professor and turn it in to Lorraine Schulz in the Office of Student Affairs.

§ 5.12 **711 Licenses**

Upon completing 52 credit hours, a student may obtain an Illinois Supreme Court Rule 711 License to practice law under the terms and conditions set forth in the Rule. Licenses are available only for students who perform legal services for government agencies or not-for-profit organizations.

A student may apply for the license at the end of the semester in which he or she completes the requisite number of hours; however, the license cannot be processed until grades for those hours have been submitted, which occurs in mid-to-late June if the student completes the hours in the spring semester. The application form is on the law school web site. Completed applications (including the supervising adviser's signature and the required photograph) should be turned in to Natasha Hatchett in the Office of Student Affairs. The application will be forwarded to the Administrative Office of the Illinois Courts, which issues the license and mails it to the student. Processing time is 3 -6 weeks.

§ 5.13 ***Registration for Independent Study***

Independent study permits a student to pursue an area of interest in-depth under the supervision of a full-time faculty member. To do an independent study, a student must have completed 28 credits and have a 3.0 cumulative GPA. The student must make supervisory arrangements with a faculty member with expertise in the student's area of interest. Independent study fulfills the JD senior seminar requirement (but not the Master's in Health Law requirement).

An extensive research paper must be completed as part of an independent study. Independent study is a graded course for which three hours of credit are awarded. A student may enroll for a maximum of two independent studies during law school.

To register for an independent study, a student must obtain written approval from the supervising faculty member and the Assistant Dean for Student Affairs. Independent study forms are available on the College of Law web site. Completed forms should be turned in to the Office of Student Affairs.

LLM students interested in independent study should contact Gini Knittle, Assistant to the Associate Dean.

§ 5.14 ***Registration for Guided Research***

Students who wish to perform guided research must make supervisory arrangements with a faculty member. A student must have completed a minimum of 28 credit hours with a cumulative GPA of at least 2.0. A student may enroll in guided research for either one or two hours in a semester. Guided research does not fulfill the senior seminar requirement.

To register for guided research, a student must obtain written approval from the supervising faculty member and the Assistant Dean for Student Affairs. Guided research forms are available on the College of Law web site. Completed forms should be turned in to the Office of Student Affairs.

§ 5.15 ***Auditing Classes***

A JD or LLM student may audit a course only if the student registers to do so with the Office of Student Affairs. Audit requests must be filed by the following deadlines:

Fall Semester: October 1
Spring Semester: March 1
Summer Semester: June 1

The following courses may not be audited: seminars, litigation skills, practice skills, clinics, externships, guided research, independent study and non-classroom pass/fail courses.

An auditor does not receive a grade in or credit for the course. Students may not convert from auditing to graded status or vice versa. A student who has audited a course may not thereafter take that course for credit. A person not enrolled as a student at the Law School may audit a course only with the permission of the Associate Dean.

To register to audit a course, JD students register for the class via Campus Connection and file a request form with Lorraine Schulz in the Office of Student Affairs. LLM and non-degree-seeking students must meet with Gini Knittle, Assistant to the Associate Dean.

VI. VISITING AT AND TRANSFERRING CREDITS FROM OTHER LAW SCHOOLS

§ 6.1 *Required Courses and Requirements to Visit Another Law School*

Other than an approved summer study abroad visit at another law school, which is discouraged, a student will be permitted to receive credit for courses taken at another law school only if the student faces an unforeseen change of circumstances of an emergency nature that makes the student's continued presence at DePaul an exceptional hardship. Such circumstances may include but are not limited to death or extreme illness in the student's immediate family, which necessitates a move to another city in order to alleviate severe financial, medical or other such stress. A student must document his or her claim of extraordinary hardship to the Assistant Dean for Student Affairs. NOTE: Financial concerns or the need to accompany or join a spouse, without other significant factors, will not constitute an exceptional hardship; neither will a desire to work or study in another location constitute such a hardship.

In addition to demonstrating extraordinary hardship, a student who wishes to take courses at another law school must submit to the Assistant Dean for Student Affairs an academic release form requesting that a letter of good standing be sent to the other law school, copies of the course descriptions of the courses the student proposes to take and a copy of the other law school's grading system. The form requesting a letter of good standing may be obtained from the Law School web site, www.law.depaul.edu. A \$25 fee is charged for each letter of good standing. Credit for courses taken at another school will only be awarded if the school is American Bar Association accredited and permission has been granted before the student registers for the courses.

All required courses must be taken at DePaul. Students may not visit another law school in the semester before they graduate. A DePaul student who is permitted to visit at another law school must be enrolled full-time at the other law school and may not take any DePaul courses during the visit.

If a student wishes to receive DePaul loans to cover the tuition costs at the other law school, he or she must see an adviser in the Financial Aid Office. Scholarships will be canceled if the student is not enrolled at DePaul.

Once the student completes the course work at the other law school, the student must arrange to have an official transcript with final grades sent directly from the other law school to the Assistant Dean for Student Affairs. Credit will only be given for courses in which the student received a grade of C or higher. Grades from courses at other law schools will not be computed in the student's DePaul GPA, except for determining honors when the student graduates. A student may not take a course at another law school on a pass/fail basis.

Courses taken at another university or college that are not part of a regularly accredited law school curriculum will not be applied toward a law degree.

§ 6.2 **Study Abroad Programs Other Than DePaul Programs**

Enrolling in a summer abroad program offered by a school other than DePaul is strongly discouraged. A student must have a minimum GPA of 2.30 to attend a summer abroad program sponsored by another law school.

If a student wishes to attend a program sponsored by another law school, Associate Dean Greenberger must approve the request. The student must submit a cover letter to the Associate Dean requesting permission to study abroad, together with copies of the course descriptions of the courses the student proposes to take and the number of credits each course is worth. The cover letter must explain why the student's goals cannot be attained by studying in one of the DePaul programs. Differences in curricula or locales between the programs offered by DePaul and those of other schools will not, without more, justify participation in another school's program.

If Dean Greenberger approves the request, the student must request a letter of good standing from the Assistant Dean for Student Affairs from the College of Law web site. The student will pay a nonrefundable \$25 fee for each letter of good standing.

If a student's application for summer abroad at another institution is approved, the Financial Aid Office may be contacted to arrange a consortium agreement between DePaul and the other law school. Once a consortium agreement is entered into, loan funds granted by DePaul may be used to pay tuition charges for the summer abroad program.

After a student completes the program, he or she must order an official transcript from the other American law school (not the foreign school) and have it sent directly to the Assistant Dean for Student Affairs. The Assistant Dean will forward the transcript to the University Student Records Office so that the credits will be entered on the student's transcript.

A maximum of seven credits may be earned during a summer program sponsored by another law school. Credits will only be awarded if the program is approved by the American Bar Association. Grades earned in another law school's summer abroad program do not count toward a student's DePaul GPA and do not satisfy Certificate requirements.

VII. GRADING SYSTEM, AWARDS AND ACADEMIC RECORDS

§ 7.1 **Grading Scale**

The College of Law awards the following grades:

A	4.0 grade points per hour (highest distinction)
B+	3.5 grade points per hour (high distinction)
B	3.0 grade points per hour (distinction)
C+	2.5 grade points per hour (high competence)
C	2.0 grade points per hour (competence)
D	1.0 grade points per hour (marginal competence)
F	0.0 grade points per hour (no credit earned, but will count in the student's grade point average)

AU	Audit (no value assigned)

R	In progress
M	Missing (Professor did not turn in a grade)
PA	Pass (no value assigned (credit earned))
IN	Incomplete (temporary for incomplete work, automatically changed to an F if work is not completed by the end of the following semester)

WA	Administrative Withdrawal

§ 7.2 ***First-Year Grade Curve***

The College of Law faculty adopted the following mandatory grade curve that applies to all first-year courses:

A	10%-15%
B+	20%-25%
B	25%-30%
C+	20%-25%
C or below	15%-20%

The curve is applied in LARC across all sections taught by the same professor.

Upper-Level Grade Curve: Classes With 50 or more Students

The College of Law faculty adopted the following mandatory grade curve for all upper-level classes with enrollments of 50 or more students:

A	12%-20%
B+	21%-27%
B	25%-31%
C+	16%-22%
C or below	10%-16%

Upper-Level Grade Curve: Classes with 26 - 49 Students

The College of Law faculty adopted a mandatory mean grade curve of between 2.95 and 3.15 for classes with enrollments of between 26 and 49 students, including LARC III.

Upper-Level Classes with 25 or Fewer Students

No curve applies to courses with enrollments of 25 or fewer students.

§ 7.3 ***Computation of GPA***

GPA's are computed by dividing the total number of grade points earned by the total number of graded credit hours. Graded credit hours do not include courses graded WA, W, P, IN, M, R or AU, but do include courses graded F or FX.

§ 7.4 ***Grade of W or WA (Withdraw)***

If a student withdraws from a course before the tuition refund deadline announced in the academic calendar, no record of the withdrawal will appear on his or her transcript. However, if a student drops a class after the tuition refund deadline, the grade of W will appear on the transcript. A withdrawal has no effect on a student's GPA. If the student requests to be withdrawn after the online deadline passes, the student will receive a grade of

WA (administrative withdrawal).

§ 7.5 **Grade of FX**

The College of Law requires regular and punctual class attendance and proper class preparation. Irregular class attendance or inadequate preparation may result in a student being involuntarily withdrawn from the class. Students who are involuntarily withdrawn receive a grade of FX. Students who register for a class, do not complete the coursework or exam, and do not drop the class prior to the last regularly scheduled day of class also receive a grade of FX.

§ 7.6 **Grade of IN (Incomplete)**

The grade of Incomplete (IN) is assigned when a student has been excused from taking the final examination on good cause shown or, with permission, has failed to complete all of the required coursework. To receive an incomplete, a student must receive written permission from the professor and the Assistant Dean for Student Affairs. All course work must be completed by the end of the following semester or the student will receive a permanent failing grade (F).

§ 7.7 **Pass/Fail**

Pass/Fail rules are described in § 5.10. Only designated courses may be taken pass/fail. Students may **NOT** elect to take graded courses pass/fail.

§ 7.8 **Repeat Policy**

A student who receives a grade of F or FX in a course may **NOT** retake the course (with the exception of Legal Profession, which must be completed successfully in order to obtain a JD). Courses may not be repeated in order to obtain a higher grade.

§ 7.9 **Anonymous Grading**

For most courses, the Law School uses an anonymous grading system. Students receive an anonymous number each semester. **STUDENTS MUST INSURE THAT THEIR E-MAIL ADDRESSES ON CAMPUS CONNECTION ARE CORRECT OR THEY WILL NOT RECEIVE AN ANONYMOUS EXAM NUMBER.**

§ 7.10 **Disclosure of Grades**

Once the University processes final course grades, students may obtain their final grades on Campus Connection. Grades will not be disclosed over the telephone or by email. Students must give written consent for grades to be disclosed to third parties.

Unofficial transcripts with grades and grade point averages are available on the University Campus Connection web site. Official transcripts are available from the University Student Records (SR), which is on the ninth floor of the DePaul Center. For further information, go to Campus Connection or to <http://sr.depaul.edu>.

Grades also appear on Degree Progress Repots, available on the University Campus Connection web site. A degree progress report charts the student's progress toward his or her degree.

Ranks are listed by percentile, in five percent increments, through the 50th percentile. The lower half of the class is ranked by quartile. Full-time and part-time students are ranked separately. Once released, class ranks are not affected by any subsequent grade changes or withdrawals. Numeric class ranks are not available.

In communicating with prospective employers or otherwise, a student must report his or her class rank precisely as listed on the Law School web site. Students **may not** round off their grade point averages to achieve a higher rank.

To verify a class rank, a student should order an unofficial transcript or official transcript from from Campus Connection through the National Clearinghouse/University Student Records Office (9th floor DePaul Center), <http://sr.depaul.edu>. Students then should compare their cumulative GPA to the percentage class ranks on the Law School web site, www.law.depaul.edu. If an employer requests verification of class rank, the student should give the employer the unofficial or official transcript and a copy of the ranks from the Law School web site or refer the employer to the web site.

§ 7.14 ***Dean's List***

Students who rank in the upper 25 percent of their class based on one semester's grades qualify for the Dean's List. Dean's List notes appear on unofficial and official transcripts, available on Campus Connection.

To qualify for the Dean's List, a full-time student must be registered for at least twelve credits graded other than pass/fail or audited. A part-time student must be registered for at least nine credits graded other than pass/fail or audited. Once released, the Dean's List is not affected by any subsequent grade changes or withdrawals.

§ 7.15 ***JD Classifications for Class Ranks and the Dean's List***

For purposes of determining class ranks and the Dean's list, JD students are classified by the number of credit hours they have earned:

Full-Time

First-Year = 28 or fewer credit hours
Second-Year = 29 to 62 credit hours
Third-Year = 63 or more credit hours

Part-Time

First-Year = 21 or fewer credit hours
Second-Year = 22 to 43 credit hours
Third-Year = 44 to 67 credit hours
Fourth-Year = 68 or more credit hours

§ 7.16 ***CALI Excellence for the Future Award***

An outside company, Computer Assisted Legal Instruction (CALI), provides an award to the student who receives the highest grade in each course. The award winners receive a certificate from CALI. CALI recipients may confirm their awards on <http://www2.cali.org>.

§ 7.17 **Official Transcripts**

Students may request an official transcript of their Law School record by submitting a Transcript Request Form to the University Student Records Office (9th floor DePaul Center). Requests may be submitted by fax as well. Official transcripts may be ordered through the University Campus Connection web site. For more information, go to Campus Connection, www.depaul.edu or <http://sr.depaul.edu>. The transcript will not be issued if a student's financial account with the University is delinquent. The College of Law cannot issue official transcripts.

VIII. **EXAMINATIONS**

§ 8.1 **General Information about Examinations**

The method of evaluation of student performance in a course lies solely within the discretion of the instructor. In many courses, a student's grade is based primarily on one written examination given at the conclusion of the course. Some instructors also give a midterm examination or assign papers.

Fall examinations are in December of each year.
Spring examinations are in May of each year.
Summer examinations are in July of each year.

§ 8.2 **Anonymous Examination Numbers**

Each student is randomly assigned an anonymous exam number each semester, and most exams are grade anonymously. Generally, upper-level seminars and skills courses are not anonymously graded.

The Assistant Dean for Student Affairs sends students their anonymous exam numbers by email each semester. **STUDENTS MUST INSURE THAT THEIR E-MAIL ADDRESS IS CORRECT ON CAMPUS CONNECTION, OR THEY WILL NOT RECEIVE AN ANONYMOUS EXAM NUMBER.**

A student must identify herself or himself only by assigned anonymous examination number. A student must not identify himself or herself by name, student identification number or any other designation or symbol anywhere on the examination questions or answers. A student should not disclose the examination number to the instructor, either directly or indirectly, until the instructor has submitted the final grades for the course. Failure to comply with these provisions may be a violation of the Honor Code.

§ 8.2 **Exam Schedule and Conflicts**

The final examination schedule is published with the class schedule prior to registration each semester. Students should select their courses to avoid exam conflicts.

All students must take their examinations at the scheduled time. If two sections of a course are offered, students must take the exam at the time scheduled for the section in which they are enrolled.

Final exams will be rescheduled only in extraordinary circumstances. Exams will not be rescheduled because of job commitments, weddings, graduations, vacation plans, travel

plans or for other personal reasons.

§ 8.3 **Wild Card Examinations**

Under certain limited circumstances, students may shift one examination to a different day. This policy is known as the “Wild Card” option.

Eligibility: If a student has two in-class exams scheduled on the same day or on two consecutive days, the student may designate **one** of the exams as a wild card exam. The student must take the rescheduled exam **within two days** of the original exam date. Options for wild card dates are listed on the law school web site. Wild card exams are scheduled from 10:00 a.m. to 1:00 p.m. on days that do not have first-year exams.

Students may only request one wild card exam per semester. Students must register for a wild card **no later than** the sixth week of classes. Forms are available on the Law School web site. First-year, full-time students and first- and second-year part-time students are not permitted to use wild cards. Wild cards are not available in the summer.

The wild card option does not apply to take-home exams unless the take-home exam is both distributed and due on the same date as an in-class exam. Wild card exams may not be typed.

Deadline to file for wild card:

Fall Semester: October 1

Spring Semester: March 1

Summer Semester and First-Year Exams: Wild cards are not available.

§ 8.4 **Missing an Examination**

Students are expected to take examinations when scheduled, even though ill or inconvenienced. However, in the event of serious illness or for other extraordinary or compelling cause beyond a student’s control, the Assistant Dean for Student Affairs or the dean on duty may excuse a student from taking the exam at its scheduled time. Students will not be excused from an examination for job-related reasons, weddings, travel, graduations, vacations or for other personal reasons. Students are expected to adjust their outside commitments to conform to the law school examination schedule.

A student who must miss an exam must notify the Assistant Dean for Student Affairs at the earliest possible time. If prior notice is not possible, the student must contact the Assistant Dean as soon as the inability to take the exam becomes manifest. If a student does not notify the Assistant Dean at the first available opportunity, the student will receive a failing grade. To protect the anonymity of grading, **students should never contact their professor if they need to reschedule an examination.**

A student who is more than ten minutes late for an exam will not be permitted to take it unless authorized by the Assistant Dean for Student Affairs. A student who is less than ten minutes late may take the exam but will not be allotted additional time and may not type his or her exam.

§ 8.5 **Make-up Examinations**

When a student is excused from an exam, the student must take the exam on the next

scheduled exam day.

§ 8.6 ***Student Conduct During Examinations***

Student conduct during examinations is subject to the DePaul University College of Law Honor Code, which is set forth in §XVI of this Handbook. Cell phones, palm pilots, I-Pods, and pagers are not permitted in the exam room.

§ 8.7 ***Examination Typing Option Using ExamSoft's SofTest***

SofTest Laptop Exams

The College of Law offers students the opportunity to take examinations on their own laptops using ExamSoft's SofTest program. **SofTest is Microsoft Windows-based.** SofTest may be used on new Macintosh machines (Mac Book or Mac Book Pro) that have Windows installed. SofTest will work provided you boot your Mac through Windows. Old Macintosh machines will not work with SofTest.

Professors must opt-in for students to use SofTest. A list of courses available for SofTest is published on the law school SofTest web site each semester. Instructions are on <http://examsoft.com/depaulaw>.

In order to use SofTest the following requirements must be satisfied:

- **Wireless LAN (802.11b/g) Internet Connections**
To use SofTest, students must have a Wireless LAN Internet card installed on their laptops. For more information, see the Technology Section of the law school website.
- **Viruses**
The laptop must be free of viruses. The Law School technology staff, Ali Belkarious and Tony Cartolano, can test students' laptops to make sure that the wireless LAN cards works properly and that the computers are clean.
- **Minimum System Requirements**
SofTest may be used on a PC with Windows. It may be used with Macintosh Mac Book or Mac Book Pro where Windows XP is installed.
Laptop = 200 MHz (minimum)
RAM = 32 MB (minimum)
Drives = 30 MB of free space and a functioning LAN wireless connector card.
Operating System = IBM compatible computer running Windows 95, 98, NT, 2000, ME, or XP (Home, Pro or Tablet PC); Mac Book or Mac Book Pro with Windows XP installed.
Software = Internet Explorer 5.0 or greater (download software and use the program)
Internet Connection = An Internet LAN connection is required to register SofTest (AOL users must have AOL 6.0 or higher)
- **Download and Register SofTest:** The Assistant Dean of Student Affairs will notify students by e-mail of the deadline to download the software for each semester.

§ 8.8 ***Exam Administration***

During all examinations, books, notes, cell phones, palm pilots, I-Pods, outlines, backpacks, briefcases, and other materials must be placed in the back of the room. For SofTest exams,

the proctor will announce the start time and write the exam password on the board. SofTest will automatically shut down after the allotted time. For bluebook and scantron exams, the test proctor will advise the students of the time at which the exam will end and will write the ending time on the blackboard. When time has expired, the proctor will announce that the exam is over. Students must stop writing immediately and turn in their examinations. Failure to stop writing immediately is a violation of the Honor Code. Students are not permitted to leave their seats for any reason during the last half hour minutes of an exam.

§ 8.9 ***Examination Accommodations***

Students who need to request accommodations on the basis of a disability should review Section IX of this Handbook.

Exam accommodations are not offered based upon a lack of proficiency in English.

IX. STUDENTS WITH DISABILITIES

§ 9.1 ***General Information***

A student with a disability who needs to request accommodation should contact Charlotte Taylor, Assistant Dean for Multicultural Affairs and Student Support Services, as soon as the student enrolls in the College of Law. Documentation of the disability is required as set forth below. Students who require exam accommodations must submit a written request to the Assistant Dean at least one month prior to the examination. The Assistant Dean will work as a liaison between the student and professors to provide accommodations.

§ 9.2 ***University Disability Services***

Project PluS, administered by the College of Education, provides diagnostic testing for students with learning disabilities. Participation in Project PluS is voluntary, and all information is kept confidential. The cost of diagnostic testing is borne by the student. Students may contact the director of the program on the Lincoln Park Campus at (773) 325-4239 or <http://studentaffairs.depaul.edu/plus>. The Program offices are in SAC 220 on the Lincoln Park Campus.

The Office of Students with Disabilities provides accommodations and support to students with physical disabilities, visual or hearing impairments and psychiatric disabilities. The Office provides sign language interpreters, tutoring, real time captioning, equipment, copy cards, readers, library assistants, classroom accommodations, event accommodations and others services. To benefit from these services, students must register with the Office at the beginning of every semester. The director is Karen Meyer, and she is located in Stuart Center 316 on the Lincoln Park Campus. She may be contacted at (773) 325-7290 (voice) or (773) 325-7296 (TTY).

§ 9.3 ***Verification of Physical Disability***

A student with a non-obvious physical disability must provide professional verification of the disability by a licensed physician, psychologist, audiologist, speech pathologist, rehabilitation counselor, physical therapist, occupational therapist or other professional health care provider who is qualified in the diagnosis of the disability. The verification must reflect the student's present level of functioning with respect to the major life activity affected by the disability. The cost of obtaining the professional verification is the responsibility of the

student.

If the initial verification is incomplete or inadequate to determine the present extent of the disability and appropriate accommodations, the College of Law may require supplemental assessment. The cost of the supplemental assessment shall be borne by the student.

§ 9.4 ***Verification of Learning Disability***

A student with a learning disability must provide professional testing and evaluation results prepared within the last three years which reflect his or her present level of processing information and present achievement level. The cost of obtaining the professional verification is the responsibility of the student. Students are advised that, when they apply for admission to the Bar, their tests for accommodations must be performed within three years prior to the time they apply to the Bar.

The four criteria necessary to establish a student's eligibility for learning disability adjustments or accommodations are:

1. Average or above-average intelligence as measured by a standardized intelligence test which includes assessment of verbal and non-verbal abilities;
2. The presence of a cognitive-achievement discrepancy or an intra-cognitive discrepancy indicated by a score on a standardized test of achievement, which is 1.5 standard deviations or more below the level corresponding to a student's sub-scale or full-scale IQ;
3. The presence of disorders in cognitive or sensory processing, such as those related to memory, language or attention; and
4. An absence of other primary causal factors leading to achievement below expectations such as visual or auditory disabilities, emotional or behavioral disorders, a lack of opportunity to learn due to cultural or socio-economic circumstances or deficiencies in intellectual ability.

Documentation to verify the learning disability must:

1. Be prepared within the last two years by a professional qualified to diagnose a learning disability including, but not limited to, a licensed physician, learning disability specialist or psychologist;
2. Include the testing procedures followed, the instruments used to assess the disability, the test results and a written interpretation of the test results by the professional;
3. Reflect the individual's present level of functioning in the achievement areas of reading comprehension, reading rate, written expression, writing mechanisms and vocabulary, writing, grammar and spelling; and
4. Reflect the individual's present level of functioning in the areas of intelligence and processing skills.

The assessment must provide data that support the request for an academic adjustment. In the event that a student requests an academic adjustment or accommodation that is not supported by the data in the assessment, or if the initial verification is incomplete or inadequate to determine the extent of the disability, then it is incumbent upon the student to obtain supplemental testing or assessment at the student's expense.

§ 9.5 ***Verification of a Temporary Disability***

A student who seeks accommodation on the basis of a temporary disability must provide documentation to the Assistant Dean for Multicultural Affairs to verify the nature of the condition, stating its expected duration and describing the accommodations deemed necessary. Such verification must be provided by a professional health care provider who is qualified in the diagnosis of such conditions. The assessment or verification of disability must reflect the student's current level of disability and shall be no older than 60 days. The cost of obtaining the professional verification shall be borne by the student.

If the initial verification is incomplete or inadequate to determine the extent of the disability and appropriate accommodations, the College of Law shall have the discretion to require a supplemental assessment. The cost of the supplemental assessment shall be borne by the student.

X. WITHDRAWAL FROM AND RE-ENTRY TO THE LAW SCHOOL

§ 10.1 ***Withdrawal or Transfer From the Law School While in Good Standing***

To withdraw or transfer from the Law School in good standing (either during or between semesters), a student first must file a request online on the University Campus Connection web site. In addition, the student must submit a letter requesting to withdraw and meet with the Assistant Dean for Student Affairs. If the student seeks to withdraw during a semester, the student must see Lorraine Schulz in the Office of Student Affairs to drop all courses for which he or she is registered.

In the event that a student withdraws from the Law School before the end of his or her first semester, the student will be deemed a new applicant in the event that he or she wishes to return and will be required to comply with all the steps and procedures required of all new applicants to the Law School.

§ 10.2 ***Withdrawal From the Law School While Not in Good Standing***

A student may withdraw while not in good standing if the student submits a request online to the University Campus Connection web site and a written request to the Assistant Dean for Student Affairs. However, if the student withdraws from classes while not in good standing, the student will be dismissed for academic deficiencies at the end of the academic year. If the student thereafter desires to return to the Law School, he or she must follow the readmission procedures described in § XI.

§ 10.3 ***Leaves of Absence and Reentry***

A student must complete at least one semester in good standing in order to be eligible for a leave of absence. A leave of absence may last a maximum of two academic semesters. (A summer session is not considered an academic semester for this purpose.) To obtain a leave of absence, a student first must file a request on the University Campus Connection web site and then notify the Assistant Dean for Student Affairs in writing. The student also must notify the Assistant Dean in writing when he or she intends to return.

If a student has been absent for more than two semesters, the student may re-enter only with the approval of the Admissions Committee and must comply with all the steps and procedures required of all new applicants to the Law School.

XI. GRADE POINT AVERAGE (GPA) REQUIREMENTS, ACADEMIC DISMISSAL AND READMISSION AFTER ACADEMIC DISMISSAL

§ 11.1 *Definition of In Good Standing*

To be considered in good standing, a JD student must have a cumulative GPA of 2.0; an LLM student must have a cumulative GPA of 2.5 over three semesters.

§ 11.2 *Effect of Summer Session Grades on First Academic Year*

Grades received in the summer session are not included in a student's GPA for the prior academic year.

§ 11.3 *Dismissal From the Law School*

College of Law students who are not in good standing are dismissed effective at the end of the academic year. However, formal dismissal letters typically are not issued until final grades are processed in June.

Students whose grade point averages are 2.3 or below after the fall semester are advised to meet with the Assistant Dean of Student Affairs to discuss their performance. They are also strongly advised not to register for the following summer session.

§ 11.4 *Readmission*

Academic dismissals from the College of Law are typically final. However, under limited circumstances, students may seek readmission to the College of Law by filing a petition with the Readmissions Committee. The Readmissions Committee consists of at least five faculty members appointed by the Dean. All decisions by the Committee are final and are not subject to appeal.

Students seeking to be readmitted must submit a petition describing how they satisfy the readmissions criteria described below. Seven copies of the petition and supporting documentation must be submitted to the Office of the Assistant Dean for Student Affairs. Students should include all documentation they feel may be of assistance to the Committee.

A student dismissed at the end of the first year may not resume classes until passage of at least one calendar year after a dismissal. Students dismissed at the end of their first academic year cannot file a petition until January 15 of the year following their dismissal. Students dismissed at the end of the first academic year must file the readmission petition by March 1 of the year following their dismissal.

JD students dismissed after the second, third or fourth year may apply for readmission after they receive a dismissal letter.

§ 11.5 *Readmission Criteria*

The Readmissions Committee applies the following criteria in passing on a petition for readmission:

1. The applicant's academic failure must have been caused by unforeseeable and

uncontrollable circumstances with which the applicant could not reasonably cope. The applicant has the obligation to submit independent documentation verifying such circumstances.

2. Unless unreasonable to do so under the circumstances, the applicant must have promptly brought such unforeseeable circumstances to the attention of the appropriate College of Law officials.
3. In the Committee's judgment, the applicant can successfully perform in the College of Law if readmitted.
4. Except in extraordinary circumstances, all of the first three requirements must be satisfied. The conditions upon which readmission is predicated are individually determined.

§ 11.6 ***Interviews with the Readmissions Committee***

A first-time applicant for readmission may request a personal interview with the Readmissions Committee. Second-time applicants are not given an interview.

§ 11.7 ***Readmissions Committee Meetings***

The Readmissions Committee meets twice during the academic year. For students dismissed after the second, third or fourth year, the Committee will meet shortly before the beginning of the fall semester. For students dismissed after their first year, the Committee will meet towards the end of the spring semester of the year following dismissal to consider petitions for the following fall semester.

§ 11.8 ***Limits on the Number of Readmissions Petitions***

A student may not apply for readmission more than twice, irrespective of the Committee's decision. A student must apply for readmission within two years of the dismissal date.

§ 11.9 ***Students Enrolled In Summer Session Before Notice of Dismissal***

A student who is dismissed at the end of the first year and who is enrolled in a summer course will be withdrawn from the summer course. Tuition will not be refunded.

An upper-level student who is dismissed while enrolled in a summer course may either withdraw from the course (without a refund) or may finish the summer class. Should the student elect to remain in the class, credit will not be given unless the student's petition for readmission is granted.

§ 11.10 ***American Bar Association Standard 505 and Readmissions***

The American Bar Association Standard 505 applies to all ABA-accredited law schools, including DePaul University College of Law. The standard states:

Admission or re-admission may be granted to a law student who has been previously disqualified for academic reasons, upon an affirmative showing that the student possesses the requisite ability and that the prior disqualification does not indicate a lack of capacity to complete the course of study at the admitting school. In the case of an admission to another law school, this showing shall normally be made by letters from the dean or faculty of the school previously attended. A previously disqualified student may also be admitted when

two or more years have elapsed since that disqualification and the nature of interim work, activity, or studies indicate a stronger potential for law study. In each case, the admitting officer shall sign and place in the admittee's file a statement of the considerations that led to the decision to admit or readmit the applicant.

XII. HONOR CODE

§ 12.1 *Presumption of Knowledge of the Code*

All students are conclusively presumed to know the provisions of the Honor Code. Lack of familiarity with the Code shall not constitute a defense to an alleged violation.

§ 12.2 *Standard of Responsibility*

A student is responsible for an act or omission deemed to be a violation of this Code if the student knew or should have known that there was a high probability that the act or omission would be found to be a violation of this Code.

§ 12.3 *Unprofessional Conduct*

A student violates this Code if the student engages in any conduct related to the student's academic career that is inconsistent with the standards of honesty expected of a member of the legal profession, as defined by the American Bar Association's Model Rules of Professional Conduct. Such conduct includes, but is not limited to, the following:

Application for Admission. It shall be a violation of the Code for any student to fail to disclose, or to make a false statement of, a material fact on his or her law school application. A fact is material if it would reasonably have been considered as a factor in the decision whether to admit the student. It shall also be a violation of the Code for a student to fail to update and amend his or her law school application to disclose material facts that arise from the date he or she applies to the College of Law through matriculation and graduation. The obligation of truthfulness and accuracy is a continuing obligation and extends beyond the filing of any application.

Examinations. With respect to examinations, students shall be presumed to know all applicable exam rules and it shall be a violation of this Code to do or attempt to do any of the following:

- a. Obtain or receive unauthorized information concerning the content of an examination prior to the examination;
- b. Seek or voluntarily receive unauthorized aid in any manner from any source with respect to any examination;
- c. Bring into an examination room any unauthorized materials;
- d. Give to another student solicited or unsolicited unauthorized aid on an examination;
- e. Fail to comply strictly with designated time limits of an examination;
- f. Use a false excuse to avoid taking an examination at its scheduled time;
- g. Identify himself or herself on a exam that is graded anonymously; or
- g. Engage any person to take an examination in the place of oneself or to take an examination for another.

Required Course Work, Assignments, and Other Academic Exercises

With respect to any work done in conjunction with and/or required by any course for academic credit, including Independent Study, Guided Research, Legal Writing, seminars, or any other academic exercise, the student shall be presumed to know all applicable rules governing an assignment and it shall be a violation of this Code to do any of the following:

- a. Engage in any act prohibited by the instructions governing an assignment;
- b. Submit as one's own, and without appropriate citation, writings or ideas of another, including those prepared by another student;
- c. Submit for credit work not originally prepared for the course for which it is submitted, without explicit permission of the instructor of the course obtained after the instructor has been advised of the origins of the work.

"Academic exercise" refers to any work constituting a basis upon which a student will be evaluated to earn credit or other Law School honors including, but not limited to, examinations, research papers (including topic proposals, outlines, and drafts), other writing assignments, oral presentations, work done for credit in clinical programs or on law journals and work performed in any moot court or other competition sponsored or conducted by the Law School.

Plagiarism: The University Code of Student Responsibility defines plagiarism as a major form of academic dishonesty involving the presentation of the work of another as one's own. Plagiarism includes, but is not limited to, the following:

- a. The direct copying of any material, computer files, recordings, video programs or musical scores, in whole or in part, whether published or unpublished, without proper acknowledgement that it is someone else's;
- b. Copying of any source in whole or part with only minor changes in wording or syntax, even with acknowledgement;
- c. Submitting as one's own work a report, examination paper, computer file, lab report or other assignment that has been prepared by someone else. This includes research papers purchased or acquired from another person or entity;
- d. The paraphrasing of another's work or ideas without proper acknowledgement.

Plagiarism, like other forms of academic dishonesty, is always a serious matter. If an instructor finds that a student has plagiarized, the appropriate penalty is at the instructor's discretion. Actions taken by the instructor do not preclude the College of Law from taking further punitive action under the Honor Code.

§ 12.4 *Theft and Unauthorized Use of Property*

It shall be a violation of this Code to do any of the following:

- a. Damage, hide or otherwise exert unauthorized control over any library property or class-related materials including, but not limited to, all DePaul University library materials;
- b. Damage, hide or otherwise exert unauthorized control over property belonging to another student, a faculty member or a student organization; or
- c. Use for unauthorized purposes University equipment or services including, but not limited to, photocopying machines, mailroom facilities and computer research or word processing equipment.

§ 12.5 ***Conduct Relating to Career Services***

With respect to students seeking employment, whether permanent, part-time or as an extern, it shall be a violation of this Code to do any of the following:

- a. Furnish to any person information known to be false which is related to the student's academic record or which concerns activities related to the Law School; or
- b. Misrepresent another student's academic record or otherwise make comment known to be false about another interviewee to any prospective employer.

§ 12.6 ***Obstruction of Honor Code Proceedings***

With respect to any proceeding before the Academic Integrity Hearing Board, it shall be a violation of this Code to do any of the following:

- a. Testify falsely;
- b. Fail without just cause to appear at any hearing pursuant to a request issued by the Board;
- c. Give false information to the presenter; or
- d. Harass any person who provides information or testimony pertaining to a violation of this Code or who participates in the enforcement of this Code.

§12.7 ***Failure to Report Violations***

It shall be a violation of this Code for a student to fail to report any suspected violation of this Code where such student has reasonable grounds to believe that such a violation has occurred.

§12.8 ***Procedures for Dealing with Allegations of Honor Code Violations***

The procedures of the Honor Code shall be the sole means for dealing with allegations of violations as described in the Honor Code of DePaul University College of Law.

If a student is the subject of a pending Honor Code proceeding, that student shall not be granted a degree. Every reasonable attempt shall be made to expedite proceedings in the case of a student who has applied to graduate.

§12.9 ***Procedures for Obtaining Information***

Non-Examination Violations. Persons, other than examination proctors, who have information about a possible Honor Code violation of any kind by a law student shall, as soon as possible, notify the Office of the Dean and the Assistant Dean for Student Affairs in writing of the facts and circumstances. If the person possesses any materials that may become exhibits, the person should give those materials to the Dean and the Office of the Assistant Dean.

Examination Violations

1. Procedures During Examinations

If an examination proctor witnesses conduct which the proctor believes to be a violation of the exam rules, the proctor shall immediately verbally notify a dean, exam coordinator, the professor of that class or the professor's delegate. Once the proctor provides verbal

notice of an alleged violation, the dean, professor or professor's delegate may confiscate any improper materials and advise the student to discontinue talking or otherwise continue violating exam rules. Confiscated materials shall be transferred to the Office of the Assistant Dean for Student Affairs. Students who allegedly violate exam rules shall be permitted to finish the exam during the allocated time.

2. *Procedures After the Examination*

As soon as possible after the proctor gives verbal notice to a dean, exam coordinator, professor or professor's delegate, the proctor shall, in a signed report, describe the alleged violation. The report should include a physical description of the student or students alleged to be involved in the violation and of the acts that constitute the violation. If possible, the student's anonymous number shall be given as soon as possible after the exam to one of the deans of the Law School. When a professor, the professor's delegate or a dean is informed of the alleged violation, that person shall notify the Office of the Assistant Dean for Student Affairs forthwith in writing.

§12.10 *Panel of Presenters*

Term of Office

For each academic year, the Dean of the Law School shall appoint, with the ratification by the faculty, a panel of three Presenters chosen from the full-time faculty.

Appointments

When the Dean receives notice of an alleged violation, the Dean shall appoint one member of the Panel of Presenters to investigate the alleged violation and, if necessary, present the matter to the Academic Integrity Hearing Board at the close of the presenter's investigation. If the Dean determines that no one on the Panel is available to complete the investigation within a reasonable period of time, the Dean may appoint a substitute Presenter from the full-time faculty.

Frivolous Matters

If, after receiving the matter, the Presenter believes that the alleged violation is frivolous on its face, then the Presenter, with the agreement of one of the other Presenters, shall dismiss the matter. After a matter is dismissed as frivolous, all documents relating to the alleged violation shall be destroyed and no reference to the alleged violation shall be maintained in the student's file.

Notice to Student Before Investigation

If the Presenter determines that the alleged violation is not frivolous on its face, the Presenter shall send notice by certified mail to the student against whom a violation has been alleged. The notice shall be sent to the address last indicated in the student's file. Notification shall consist of a brief statement of the events and acts alleged to constitute a violation, but shall not include the identity of the student's accuser.

Investigation

After notice is given to the student, the Presenter may proceed with an investigation and

may contact any person who may have information about the alleged violation. The Presenter may individually interview persons whom the Presenter believes have information relevant to the matter. The Presenter shall preserve the confidentiality of all information given by persons who provide it. The Presenter ordinarily shall complete the investigation within 30 days.

Student Representatives

At any point after the student receives notice, the student shall have the right to be represented by any person the student chooses, at the student's expense. Students are encouraged to choose counsel who are not members of the College of Law faculty, but may select the representative of their choice.

Written Statement and Interview

During the investigation and after notice to the student, the student has the option of providing a written statement of his or her version of the alleged incident. The Presenter has the option to interview the student if the Presenter determines that an interview would aid the proceeding.

Dismissal

If, after investigation and with the approval of one of the other Presenters, the Presenter decides not to proceed, either because the charges are deemed unwarranted or because there is insufficient evidence to substantiate the alleged violation, then the Presenter may dismiss the charge. The Presenter shall notify the student of the dismissal by certified mail.

Negotiated Findings and Penalties

If the student admits the violation, the Presenter may recommend a negotiated finding and penalty in writing and by oral presentation to the Academic Integrity Hearing Board. The student and the student's representative may appear before the Board at that time. The Board shall either ratify or reject the finding and penalty in writing. The Presenter shall notify the student of the Board's decision by certified mail. The Presenter shall submit a written report to the Dean that summarizes the charge, the negotiated finding of a violation, the negotiated penalty and the Hearing Board's written decision. The record shall become a permanent part of the student's file.

Request for a Hearing

If the case is not dismissed, nor a finding and penalty negotiated and ratified by the Board then, upon the Presenter's written request, the Academic Integrity Hearing Board, within a reasonable time, shall hold a hearing to consider the alleged violation. In the absence of extenuating circumstances, this period shall not exceed 60 days from the date of the Presenter's request.

§ 12.11 *Academic Integrity Hearing Board*

Internal Procedures

Appointments

The Academic Integrity Hearing Board shall consist of two faculty members, chosen by the Dean from the full-time faculty and subsequently ratified by the faculty, and three students appointed by the governing board of the Student Bar Association. Members of the Panel of Presenters for a given year shall not be eligible to serve on the Hearing Board.

Term of Office

If possible, faculty members shall serve for at least a two-year period so that one faculty member of the Board will have served in the previous school year.

Quorum

The Hearing Board shall not proceed unless all five members are present. If it appears that the Board will not be able to meet within a reasonable time, the Dean shall appoint substitute members. If it is necessary to appoint a substitute student member, the Dean shall do so after consultation with one or more officers of the Student Bar Association, unless such consultation would unreasonably delay the proceedings.

Hearing Procedures The hearing shall proceed as follows:

1. ***Chairperson*** The Hearing Board shall elect a chairperson who shall preside over the hearing and who shall rule on the relevance of information presented.
2. ***Notice of Witnesses and Exhibits*** Within a reasonable time prior to the hearing, but not later than five days before the hearing is scheduled to begin, the Presenter shall submit to the student alleged to have committed a violation, or the student's representative, a list of the names of witnesses who will testify at the hearing and copies of any exhibits to be introduced at the hearing. However, if the Presenter receives any additional information thereafter, the information may be used at the hearing after reasonable notice to the student or the student's representative.
3. ***Relevance Requirement*** Except for the relevance requirement, the rules of evidence, including, but not limited to, the hearsay rule, need not be applied. Information relevant to prove or disprove the alleged violation and to mitigate a sanction shall be admissible.
4. ***Standard of Proof*** The standard of proof shall be clear and convincing evidence.
5. ***Oath*** An oath shall be administered to all persons who testify at the hearing.
6. ***Closed Hearings*** The hearing shall be closed, and no information regarding the hearing shall be released until final resolution.
7. ***Student Testimony*** The Presenter may call the student to testify and, if the student refuses, the Hearing Board may infer from the student's failure to testify that the student committed the alleged violation.

8. **Opening and Closing Statements** The student alleged to have committed a violation, or the student's representative, and the Presenter shall be permitted to make brief opening and closing statements.
9. **Witnesses** The student alleged to have committed a violation, or the student's representative, and the Presenter shall be permitted to call witnesses and to cross-examine adverse witnesses.
10. **Taped Proceedings** A tape recording of the proceedings before the Board shall be made. The student shall be entitled to a copy of the tape at the student's expense. The student, at his or her request and expense, may employ a stenographer to make a transcript of the proceedings. The College of Law shall be entitled to a copy of any such transcript upon timely request and shall tender an amount equal to the cost of making the copy.
11. **Finding of a Violation** A finding that the student violated this Code shall require the assent of at least four members of the Hearing Board.
12. **Public Disclosure** If the Presenter negotiates a finding of a violation and a penalty that are ratified by the Hearing Board, or if the Hearing Board finds a violation occurred and imposes a penalty, it shall release information to the student body regarding the violation and the sanction imposed. However, the Board shall not disclose the names of the students involved. If the Hearing Board exonerates the student, no information shall be released to the student body.
13. **Vote on Sanction** No separate hearing regarding sanction shall be held by the Hearing Board. Three members of the Hearing Board must assent regarding the appropriate sanction. The Board shall have broad discretion in determining a sanction. Sanctions may include, but are not limited to, expulsion, probation, suspension, reduction in grade and reprimand.
14. **Notice to Student and Dean's Office of Decision** The student alleged to have committed a violation shall be notified in writing of the Hearing Board's decision within 10 days after it is rendered. The Dean's Office also shall be given written notice of the Board's decision.
15. **Student Records** When a final resolution is reached by the Hearing Board, the records of the proceedings shall become a permanent part of the student's file.

XV. LAW CAREER SERVICES

§ 15.1 ***General Information***

The Law Career Services Office provides career programming and advising for students and alumni. The office and its advisors offer a wide range of resources to facilitate students' career planning and search for employment.

§ 15.2 ***Symplicity***

Students and alumni are encouraged to visit Symplicity, the Law School's Career Services site at www.law.depaul.edu/jobs. Symplicity provides links to various resources, including information on drafting résumés and cover letters; DePaul's Fall Employer Recruiting and direct interviewing programs; directories on a wide variety of employers and resources; and a wealth of additional information.

§ 15.3 ***Career Services Office***

The Law Career Services Office provides Internet and Intranet-accessible computers, a printer, a photocopier, a scanner and a fax machine for use by students and alumni. A library of periodicals, books and directories is also housed in the Law Career Services Office and many of these resources are available for student check-out.

§ 15.4 ***Communication***

Students are expected to keep their current contact information updated on their profile in Symplicity as we use this information to regularly communicate upcoming job fairs, recruiting events, career-related programs and other relevant information. Students must update their contact information on Symplicity separately from any updates made on Campus Connect as the two systems do not feed into each other. Additionally, students are encouraged to regularly keep abreast of the information our office shares via our newsletter, Twitter (@DePaulLawCareer), Facebook (DePaul Law Career Services Office) and our blog (www.DePaulLCS.blogspot.com).

§ 15.5 ***Internet Job Postings***

More than 1,700 clerk and attorney job opportunities are received by the Law Career

Services Office each year. DePaul offers students and alumni access to these employment opportunities in both on-line and print versions. On-line, the job postings are made available in Symplicity, a password-protected site, which can be accessed by logging onto www.law.depaul.edu/jobs. Students and alumni can obtain passwords by contacting or visiting the Office and can apply to any of these jobs after their resumes have been uploaded to Symplicity and approved by their advisors. On average, more than 200 job opportunities are posted at any given time for both attorneys and law students.

§ 15.6 ***Job Fairs and Programs***

Each year, DePaul participates in a large number of job fairs throughout the country. The Law Career Services Office also offers a variety of programs, including mock interviews, skill-building seminars, monthly alumni panel discussions and *Lunch/Dinner With A Lawyer*, which focus on a wide range of practice areas. Current information on these programs can be found in the Law Career Services Office and in the event calendar on Symplicity. Students are strongly encouraged to regularly check the information available on-line and in the Office.

§ 15.7 ***Career Advising***

Three career advisors provide career advice and guidance for students and alumni. During the first semester of law school, students are offered a comprehensive orientation regarding the job search process. Additionally, each student is assigned to an individual advisor in order to ensure that students have a constant resource available to them. However, per the National Association of Law Placement Standards, Law Career Services is not allowed to offer job search service or assistance to first semester first-year students prior to November 1.

§ 15.8 ***Fall Employer Recruiting Program (FERP)***

Every Fall, the Law Career Services Office invites employers to interview DePaul students for summer associate and, possibly, permanent positions. While employers of all sizes are invited to participate, typically only the largest of employers in private practice, government and business participate in FERP. While many employers participate in FERP by coming on campus to conduct their interviews, many employers opt to participate as a resume collect employer, whereby they invite selected students to interview at the employer's office. Students should bear in mind that the employers who participate in FERP comprise only a small percentage of the overall employer pool.

Public interest and government employers typically participate in job fairs. In Chicago, an annual Public Interest and Government Employer Reception is held in the fall. All area law schools participate in hosting and coordinating this event. Job fair and reception dates and descriptions are posted on the Symplicity event calendar.

XVI. ANTI-DISCRIMINATION POLICIES

§ 16.1 ***Law School Policy on Equality of Opportunity***

As a member of the Association of American Law Schools (AALS) and in conformity with its by-laws, DePaul University College of Law provides equal opportunity in legal education for all persons without regard to race, color, religion, national origin, sex, age, disability or sexual orientation. The procedure for filing a grievance involving charges of discrimination

is set forth in the University Student Handbook, copies of which are available in the Student Services Office, or on the University web site, www.depaul.edu/~handbook.

§ 16.2 ***University Policy on Sexual Harassment***

DePaul University is committed to providing and maintaining a healthy learning and working environment for all students, staff, faculty and other members of the University community that is free of discrimination and all forms of sexual harassment. The University condemns any form of sexual harassment or assault and is committed to taking action to prevent and eliminate it. The University sexual harassment policy and the procedures for reporting harassment are set forth in the DePaul University Student Handbook, which is available on the University web site, www.depaul.edu/~handbook.

§ 16.3 ***College of Law Religious Liberty Policy***

DePaul University College of Law is committed to safeguarding religious liberty.

Scheduling of Classes and Other College of Law Events

To the best of its ability, the College of Law attempts not to schedule classes on religious holidays, including the Sabbath. Where classes must be scheduled on religious holidays, the College attempts to offer alternative sections. College of Law events, such as Law Days, are scheduled on both Saturdays and Sundays.

Class Attendance and Participation

A student who misses class as a consequence of religious observance will not be penalized. For example, if a professor permits students to miss two classes in a semester and a student must miss three classes for reasons of religious observance, that student should be permitted to miss five classes in total.

Students who miss class for reasons of religious observance must be permitted to tape those classes. Students are responsible for making the taping arrangements. No student shall be required to take an examination or engage in any other evaluative endeavor on a religious holiday.

It is the obligation of the student to apprise faculty members of the necessity to miss class for reasons of religious observance and to apprise the Assistant Dean for Student Affairs about the need to reschedule an examination or other evaluative exercise.

Student Organizations

Student organizations that sponsor competitive events must accommodate the needs of students who cannot compete on a religious holiday. It is the obligation of the student to advise the student organization of the necessity for accommodation so that another opportunity to participate in the competition may be provided.

Students whose religious observances prevent them from attending the events of a student organization may not be barred from membership as a consequence thereof. Student organizations are encouraged to schedule events at a time other than Friday noon, Friday evening, Saturday and Sunday.

XVII. ADMISSION TO THE BAR

§ 17.1 *Bar Examination Requirements*

Many College of Law graduates apply for admission to the bar in Illinois, although they may later seek admission in other jurisdictions. Forms for the Illinois bar are available on the Illinois Board of Admissions web site, www.ibaby.org. Forms for other jurisdictions are available through the National Conference of Bar Examiners web site, www.ncbex.org.

The Illinois Board of Admissions to the Bar permits law students to register with the bar examiners by March 1 of the first year of law school if they intend to take the Illinois Bar Exam. First-year registration is not mandatory, but is strongly recommended. Students who register later will have to pay substantial late fees. Other states that offer law student registration include Alabama, California, Florida, Iowa, Kentucky, Missouri, Montana, North Dakota, Ohio, Oklahoma and West Virginia. If a student is interested in practicing in one of those states, she or he should contact the Board of Admissions to the Bar in the jurisdiction where he or she plans to practice.

The Illinois Bar Exam is administered in February and July of each year. All DePaul graduates are automatically certified for admission to the Illinois Bar. Graduating seniors should file Character and Fitness forms and the application to sit for the bar examination by September 1 if they will graduate in December or by February 1 if they will graduate in May.

Students must also pass the Multi-state Professional Responsibility Exam (MPRE), which is given three times per year, in March, August and November. The MPRE may be taken after a student completes at least 60 credits. If the student takes the MPRE prior to earning 60 credits, the Illinois Board of Admissions to the Bar will disregard the score, and the student will have to take it again. The on-line application for the MPRE is on the National Conference of Bar Examiner's website: www.ncbex.org.

Illinois does not require that students have taken any particular courses to sit for the Illinois Bar Exam. However, some states do require students to have taken specific courses. Indiana and South Carolina, for example, have several specific course requirements. Students should obtain information as soon as possible after they begin law school about requirements for admission to the bar in the state(s) where they may seek admission.

The College of Law offers a bar review program. Students are strongly encouraged to participate. Students should also seriously consider taking a commercial bar preparation course.

WARNING: UNFORTUNATELY, EVERY YEAR, SOME COLLEGE OF LAW STUDENTS FAIL THE BAR. DO NOT LET THIS HAPPEN TO YOU. THE PRINCIPAL REASON THAT STUDENTS FAIL IS THAT THEY DO NOT TAKE THE BAR EXAM SERIOUSLY ENOUGH. BE SURE TO ALLOCATE SUFFICIENT TIME FOR STUDY INCLUDING, IF POSSIBLE, TAKING A VACATION FROM WORK. THE BAR EXAM IS DIFFICULT AND REQUIRES YOUR VERY BEST EFFORT.

Bar Examinations in States Other Than Illinois: A graduating senior who intends to take the bar in a state other than Illinois must notify the Assistant Dean for Student Affairs at least two months prior to graduation. The student must provide the Assistant Dean with a Dean's Certificate form and a cover letter stating the student's name, student ID number, mailing address, e-mail address and telephone number and the deadline for submission of the form to the jurisdiction in which the student will be sitting for the bar. If the state to which the

student applies requires an official transcript to verify the JD, the student must order the transcript from the University Student Records Office, <http://sr.depaul.edu>. The College of Law cannot order official transcripts because release of the transcripts requires the student's written consent.

§ 17.2 ***Character and Fitness Disclosures***

The Illinois Board of Admissions to the Bar requires that the Dean of the law school certify that each student sitting for the bar has earned the JD degree. As part of that certification, the Dean must answer the following questions:

1. Do your records or other information show anything adverse concerning the applicant's honesty, integrity, or general conduct?
2. Was the applicant ever involved in a disciplinary inquiry or proceeding while in attendance? If so, explain.
3. Are you aware of any matter or matters reflecting adversely upon the applicant's reputation and character?
4. Please state any facts, not covered by the foregoing questions, unfavorable to the applicant, which you think the committee should know in connection with its duty to determine whether the applicant is worthy of the highest trust and confidence.

Most other states require similar certificates to be completed by the Dean before students may take the bar exam.

Students are advised that they have a duty to supplement their law school files if any adverse criminal, civil, administrative or financial events occurred before or during law school. If any discrepancy exists between information disclosed on the original law school application and the bar application, the student may be asked to meet with bar admission staff or the Board of Law Admissions. Adverse information not disclosed may result in the denial of a license to practice law.

Students who do not fully disclose adverse information when they apply to DePaul University College of Law must do so at the earliest opportunity. If not, they may be cited for a violation of the College of Law Honor Code. Penalties, including letters of reprimand, suspension or expulsion, may be imposed for failure to make full or complete disclosure.

Creating an Account: Do this step only once!
