School of Music - Undergraduate Studies ▫ General Information ▫ Purposes

Purposes

The purpose of the School of Music is to develop each student's potential to its highest level. Recognizing that students have unique combinations of abilities, needs, and goals, the School of Music provides a series of structured and independent learning situations which will fulfill both common and individual objectives.

As a division of the university concerned with professional preparation, emphasis is placed on specific career requirements in music. A variety of courses chosen from the College of Liberal Arts and Sciences generates the liberalizing influence of a university experience. The integral place of music in a liberal education is affirmed by participation of music faculty in courses for non-music majors.

Located at Fullerton Avenue and Halsted Street on the Lincoln Park Campus, the School of Music and its student body are deeply involved in the cultural life of Chicago. Orchestra Hall, the Art Institute of Chicago, and the Lyric Opera are less than 15 minutes away by rapid-transit. DePaul's location in an active cultural center enables the School of Music to draw its faculty from professionals in the Chicago musical scene, including more than twenty members of the Chicago Symphony and Chicago Lyric Opera Orchestras. Qualified students may perform with the Civic Orchestra and the Lyric Opera chorus. Many other performing and teaching opportunities are also available in the metropolitan area.

School of Music - Undergraduate Studies ▫ General Information ▫ Facilities

Facilities

The School of Music is housed in attractive facilities on DePaul's Lincoln Park campus. The Music

Building is a three-story facility built in 1968 and contains teaching studios, ensemble rehearsal rooms, classrooms, a recording studio, faculty offices and a 140-seat lecture-recital hall which provides a forum for master classes, faculty and student recitals, and guest appearances. Modular practice facilities are located in the adjacent McGaw Building.

The Concert Hall has a seating capacity of 400 and serves as the performance home of the DePaul Symphony Orchestra, the Wind Ensemble, Wind Symphony, and University Chorus as well as many Lincoln Park cultural events.

Students commuting to the School of Music have convenient access via the CTAs Howard Street-Englewood elevated train, the Ravenswood elevated, Lake Shore Drive, and the Edens and Kennedy Expressways. On-campus residence halls are available for resident students.

[School of Music - Undergraduate Studies](#) [General Information](#) [Admission](#)

Admission

Admission as a degree seeking student in the School of Music is contingent upon a superior high school record and successful completion of a performance audition. Entering freshmen and transfer applicants are required to audition before March 1st for admission the following September. Transfer students are required to validate credits earned in musicianship studies (theory, music history and literature, aural skills, and keyboard) through a placement examination prior to initial registration.

All students are encouraged to audition as early as possible to allow sufficient time for housing, scholarship, and financial aid applications. For audition requirements and a list of scheduled audition dates, contact the Coordinator of Admission, DePaul University School of Music, 804 West Belden Avenue, Chicago, IL 60614, or call (773) 325-7444.

[School of Music - Undergraduate Studies](#) [General Information](#) [Financial Aid](#)

Financial Aid

Students may apply for financial assistance based on family need through the Office of Financial Aid, DePaul University, 1 East Jackson, Chicago, IL 60604. Incoming freshmen may also compete for privately funded music performance awards at the time of audition. Since the number and amount of these music awards vary each year, contact the School of Music for further information.

Bachelors

School of Music - Undergraduate Studies ▫ Bachelors

Curriculum

Four-year programs are offered leading to the degrees of Bachelor of Arts in Music, Bachelor of Music (with majors in performance, composition, jazz studies, performing arts management, and music education), and Bachelor of Science in Music (with emphasis in sound recording technology). In addition, a teacher certification program is offered for musicians with undergraduate degrees in music who wish to earn Illinois K-12 music state licensure. Programs leading to the Master of Music Degree or a Certificate in Music Performance are described in the Graduate Bulletin.

Note:	* Students must earn a C- or better in this course.

Quantitative Reasoning and Technological Literacy:

Readiness for LSP 120 is determined by the math placement test taken online after admission. Students may need to take developmental coursework prior to LSP 120. The LSP 120 requirement may be waived by credit already earned for advanced math coursework or by passing a dedicated proficiency exam. Students who complete both LSP 120 and LSP 121 take one less Learning Domain course. Students may not apply the course reduction to any Domain where only one course is required, and if taken within the SI Domain, the reduction cannot be applied to the SI Lab requirement.

Note: Courses offered in the student's primary major cannot be taken to fulfill LSP Domain requirements. If students double major, LSP Domain courses may double count for both LSP credit and the second major. Students who choose to take an experiential learning course offered by the major may count it either as a general elective or the JYEL requirement.

Effective Summer 2010, changes were made to the liberal studies domain requirements allowing for more flexibility. Current students may also benefit from the less restrictive LSP domain requirements. Please note that the change is reflected in this liberal studies requirement grid.

Bachelor of Music

School of Music - Undergraduate Studies ▫ Bachelors ▫ Bachelor of Music

About

Programs leading to the degree of Bachelor of Music include requirements in Liberal Studies, music, and the specialization. Once admitted to the School of Music, students declare an intent to major and enroll in liberal studies courses and music courses common to all majors during the freshman and sophomore year. Throughout the first two years, music students are encouraged to explore various specializations through introductory courses. At the end of the freshman or sophomore year, music students must petition to major for acceptance into an area of specialization. Once accepted, students pursue the required courses which lead to a Bachelor of Music degree in one of five areas of study: Music Performance, Music Education, Music Composition, Performing Arts Management, and Jazz Studies.

Bachelor of Science

About

The Bachelor of Science with emphasis in Sound Recording Technology is designed to prepare students for careers in the expanding audio industry. The program includes the musicianship sequence, applied music, and ensemble experience, as well as classes in analog and digital microelectronics, computer science, and the sound recording specialization.

Liberal Studies Requirements (B.S. in Music)

First Year Program	
Chicago Quarter	LSP 110 or LSP 111
Focal Point	Not Required
Writing	WRD 103* and WRD 104*
Quantitative Reasoning & Technological Literacy	Not Required
Sophomore Year	
Multiculturalism in the US	LSP 200
Learning Domains	
Arts and Literature (AL)	2 Courses Required
Philosophical Inquiry (PI)	1 Course Required
Scientific Inquiry (SI)	Not Required (Note: Included in specialization)
Self, Society and the Modern World (SSMW)	1 Course Required
Religious Dimensions (RD)	1 Course Required
Understanding the Past (UP)	1 Course Required
Note:	* Students must earn a C- or better in this course.

Note: Courses offered in the student's primary major cannot be taken to fulfill LSP Domain requirements. If students double major, LSP Domain courses may double count for both LSP credit and the second major.

Effective Summer 2010, changes were made to the liberal studies domain requirements allowing for more flexibility. Current students may also benefit from the less restrictive LSP domain requirements. Please note that the change is reflected in this liberal studies requirement grid.

Modern Language Option (B.S.)

If a music student wishes to study a modern language for a three-course sequence (12 quarter hours), one quarter of language study (4 quarter hours) may be used to replace a course requirement in Arts and Literature, Philosophical Inquiry, or Religious Dimensions. The remaining two quarters of language (8 quarter hours) will be applied towards free electives.

School of Music Academic Policies

Performance Awards

All students who receive performance awards must participate in ensembles as needed. Failure to do so may result in the forfeiture of performance award dollars. Undergraduate performance awards are offered for a maximum of 12 quarters, except for music education majors (13 quarters) or double majors (15 quarters). Graduate performance awards are provided for a maximum of 6 quarters. Questions about the performance awards may be directed to Mr. Ross Beacraft, Director of Admission.

Curricular ensemble requirements may differ from performance award requirements. A student on a performance awards may be required to participate in ensembles different than or beyond their majors curricular requirements

Supplemental Transfer Credits

Incoming undergraduate students: transfer credits

At the point of admission, non-music courses are reviewed and posted by the Transfer Credit Center. All music courses will be reviewed by the Associate Dean, and acceptable courses will be applied towards the degree program. The transfer of musicianship studies courses, i.e., theory aural training, and group piano are contingent upon proficiency examination results. Applied lessons and ensemble credits taken during high school are transferable but not applicable towards a music baccalaureate degree.

Current undergraduate students: supplemental transfer credits

Once a student has enrolled at DePaul University School of Music, only liberal studies or elective courses are transferable; courses in the specialization are not. If a current student wishes to transfer supplemental to DePaul from a community college or other four-year institution, approval in the course(s) must be obtained from the Associate Dean prior to enrolling. If a student does not obtain prior approval, the course(s) may not be applicable towards a DePaul University Degree. After completing the course(s) students must submit an official transcript to the College Office to be reviewed by the Associate Dean. It is important to note that supplemental transfer credits cannot be taken during the last 60 quarter hours of a degree, in accordance with the DePaul University residency requirement.

Academic Probation

Students who fail to make meaningful progress towards their degree may be placed on academic probation. Furthermore, students who do not maintain a 2.0 grade point average, may be placed on academic probation. Any student who is placed on probation will be notified in writing and should meet with the Associate Dean.

Academic Dismissal

Students who fail to meet the academic standards of the University or School of Music may be dismissed. Any student who is dismissed will be notified in writing and should meet with the Associate Dean. Conditions for dismissal and procedures for re-application are detailed in the University Student Handbook.

Withdrawal

Any student who wishes to withdraw from the School of Music should first meet with his or her advisor and then the Associate Dean. If the student is receiving a performance award, s/he should also meet with Mr. Ross Beacraft, Director of Admissions. A withdrawal form must be submitted to the Associate Dean, explaining the reasons for withdrawal. If a student withdraws in good standing, s/he may reapply

within 3 quarters without re-auditioning or re-applying; if a

student is away longer than 3 quarters, s/he must reapply and re-audition to the School of Music, and is subject to the requirements current at the time of their application.

**** Please refer to the School of Music Student Handbook for further information on policies and procedures.**
